BROTHEL

*It's a lot
bigger than I
originally
thought!!*

*Shit!!
It just popped
out on its own
without needing
me pull it out!!*

Yeah!! Confront this!!
You will be a total
coward if you don't put
it in, Byungjin!!

Haa....

I already feel my pussy tearing up with just the head of his dick coming in....!!

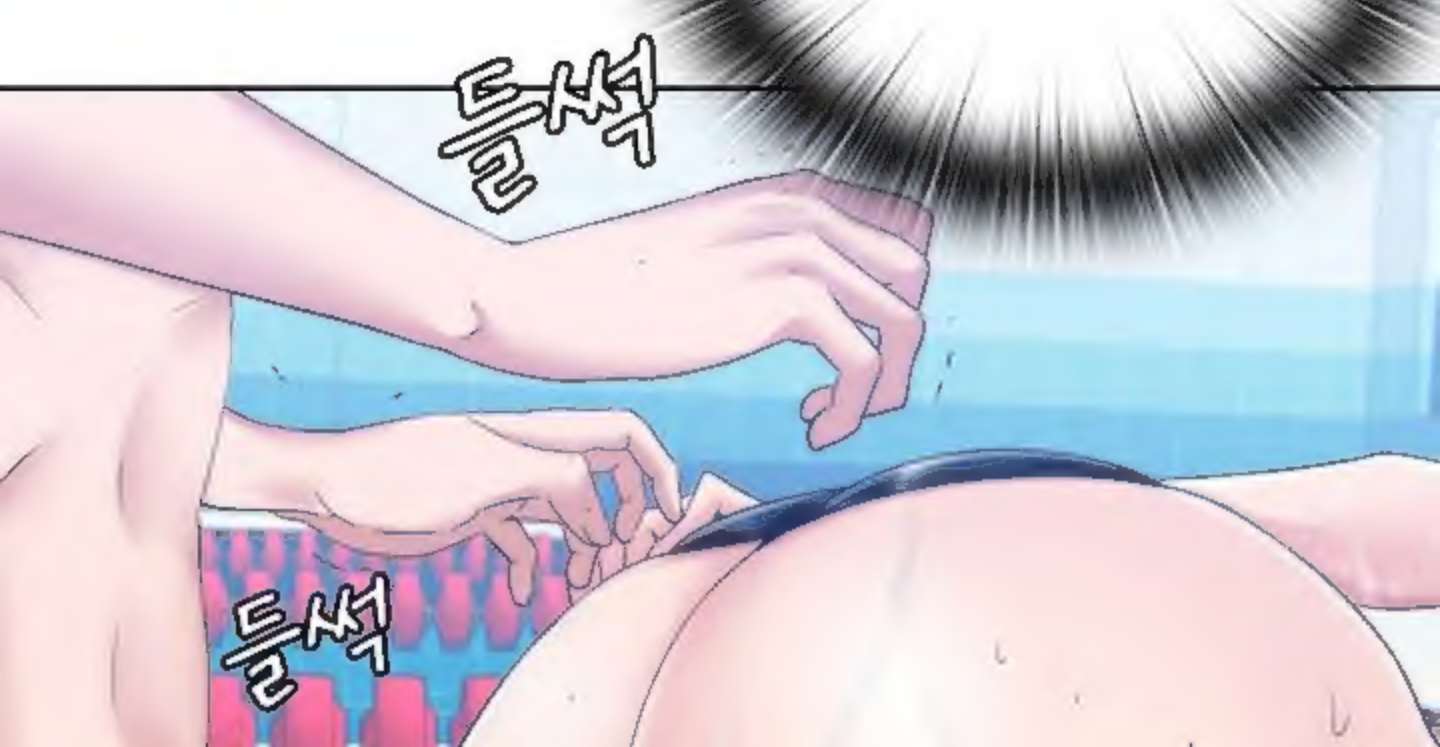

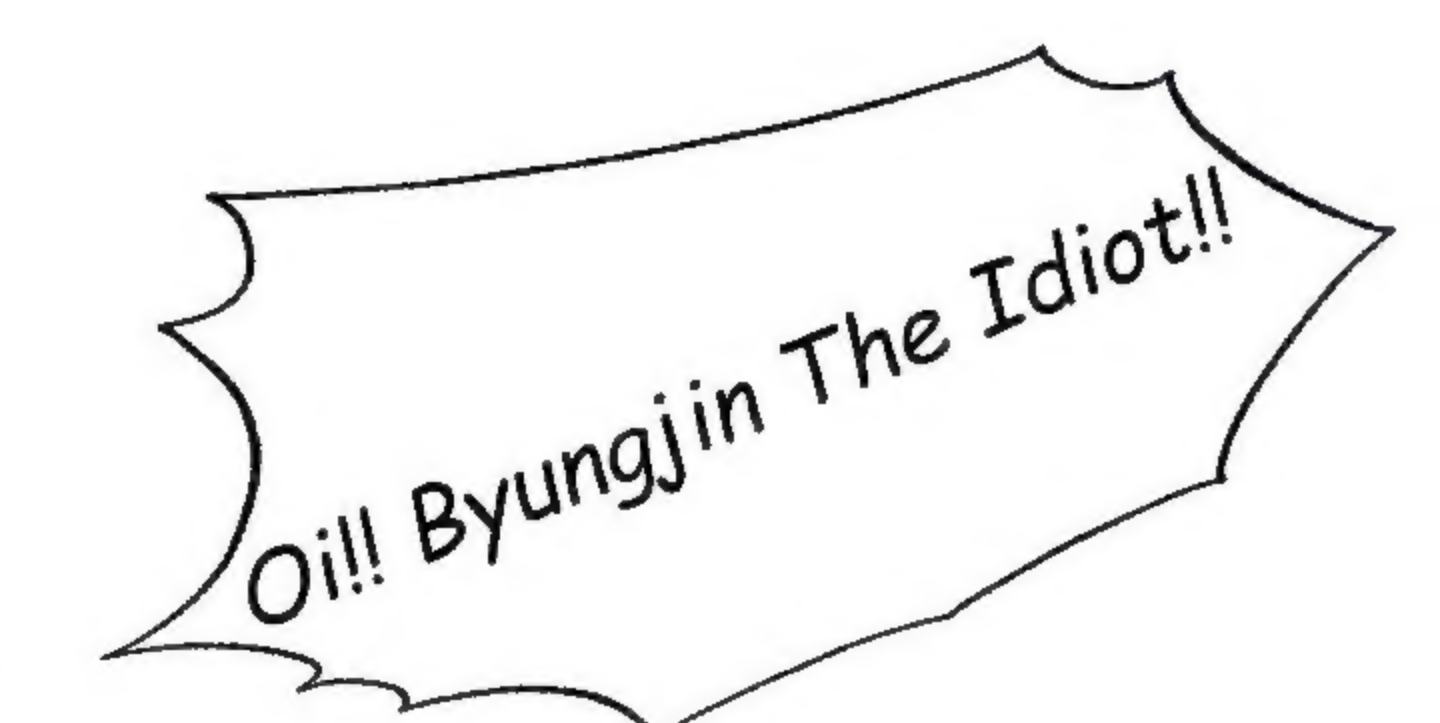

Slurp!!

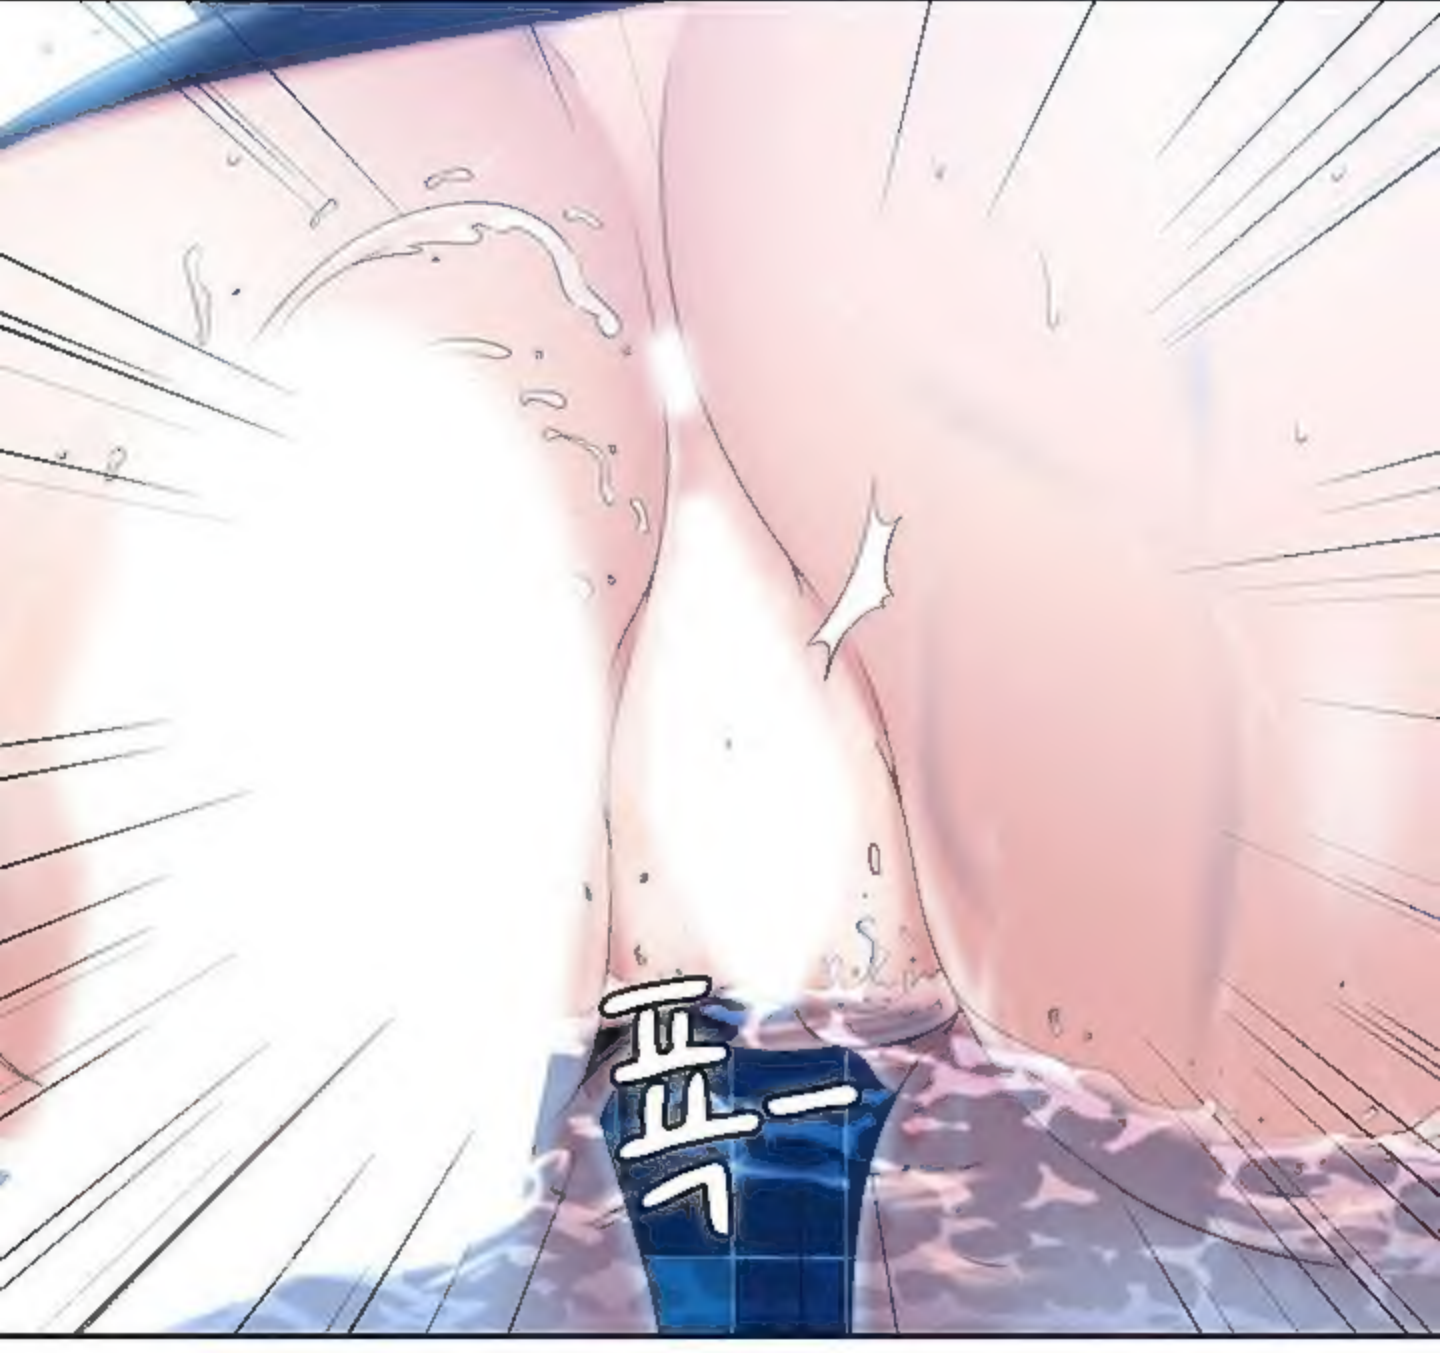

Woah, I'm feeling it...!!
I can feel her warmth and tightness with just the head of my dick!!

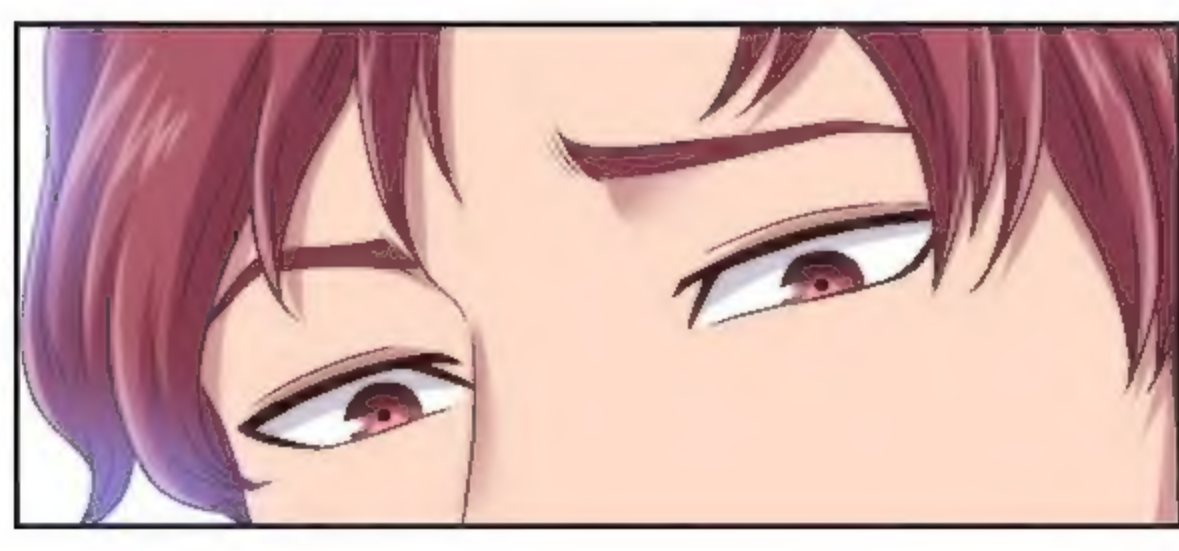

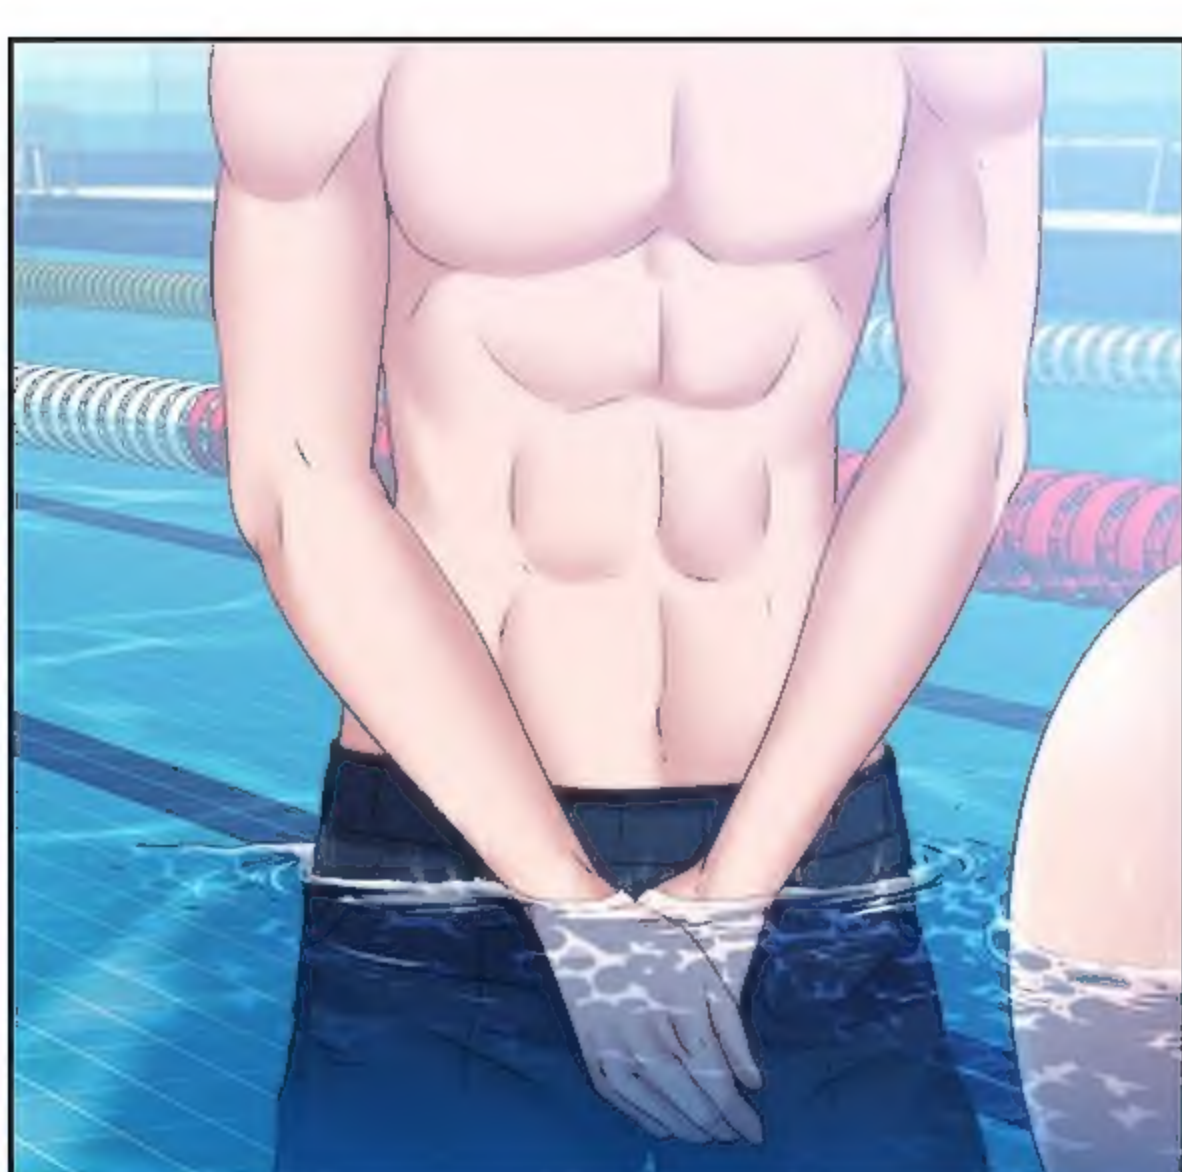

I wanna go in as deep as possible!!

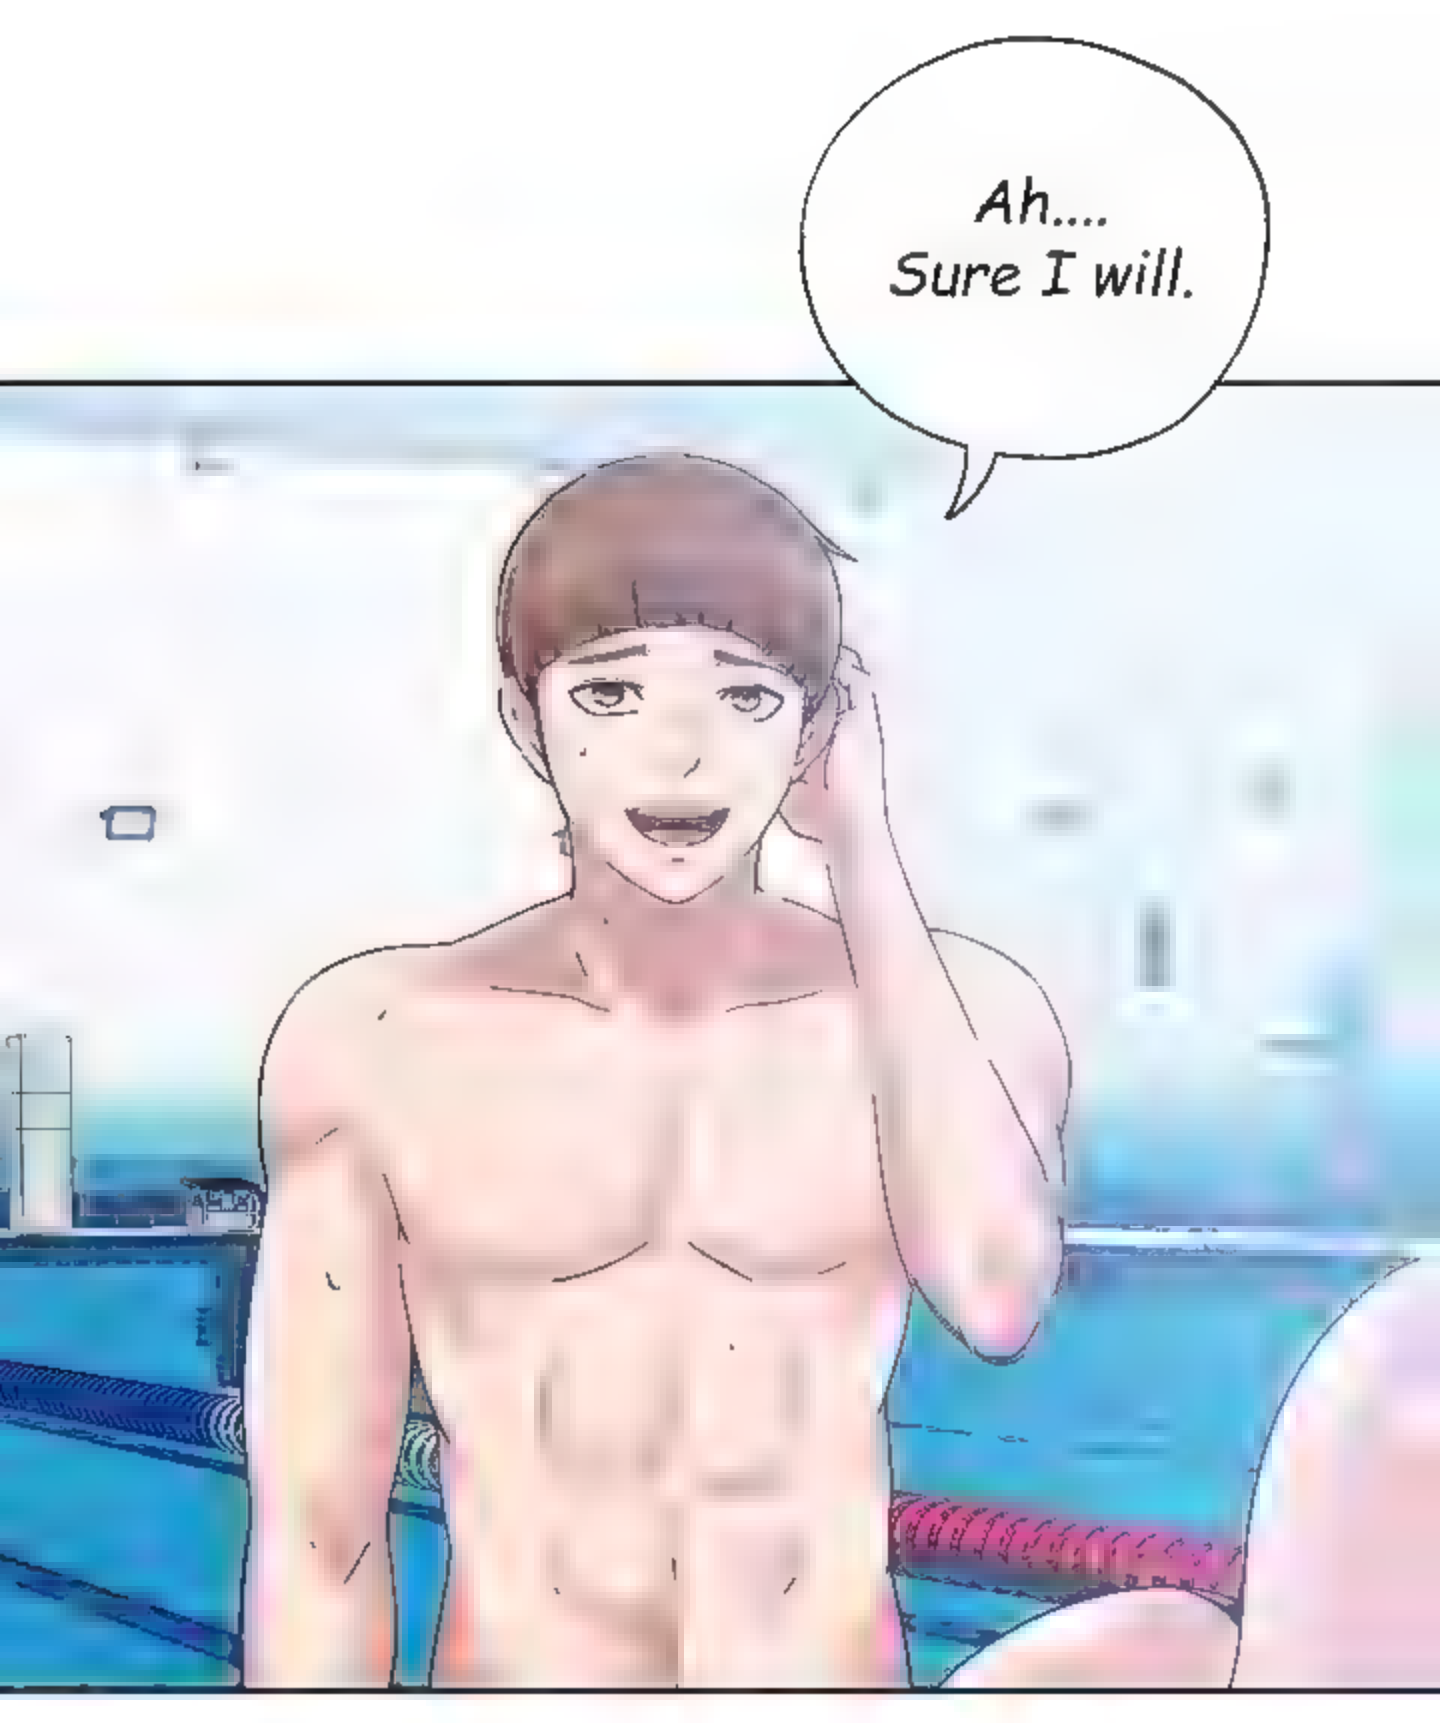

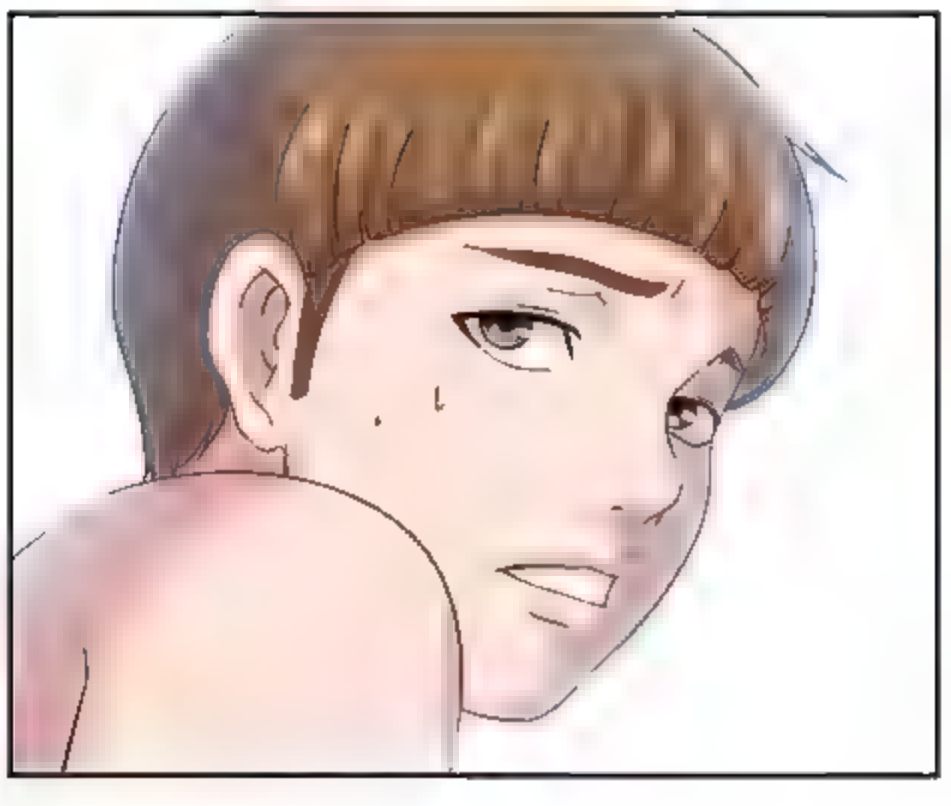

I just help her
with the cramps
in her legs...

The...fuck....
is this timing....

Are you okay?
Can you move on
your own now?

목자

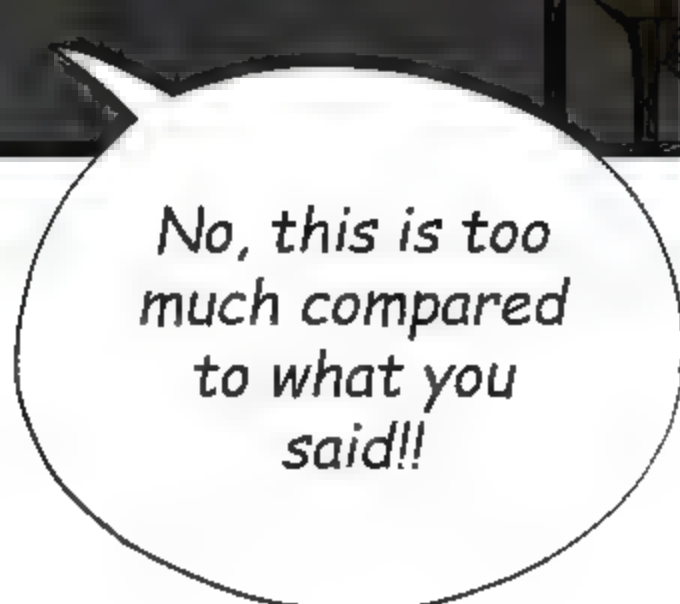

....

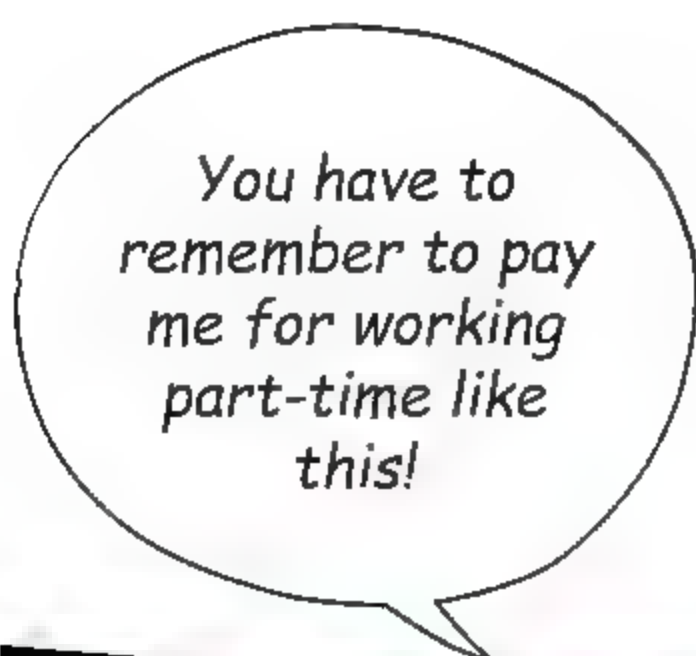

Yes, noona.
I'm cleaning
warehouse #1 now.

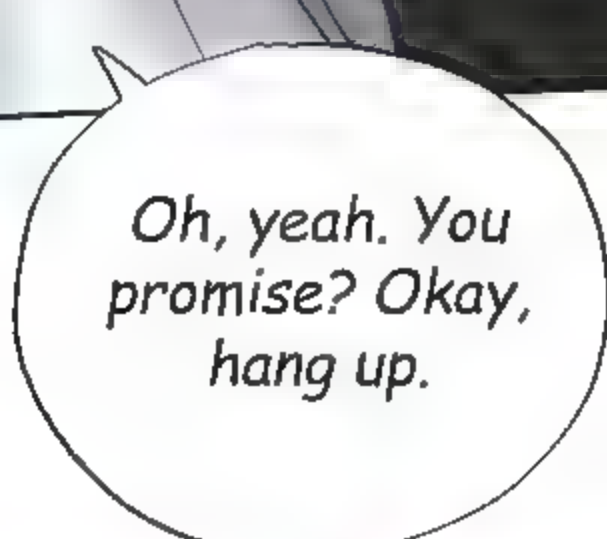

E/O...

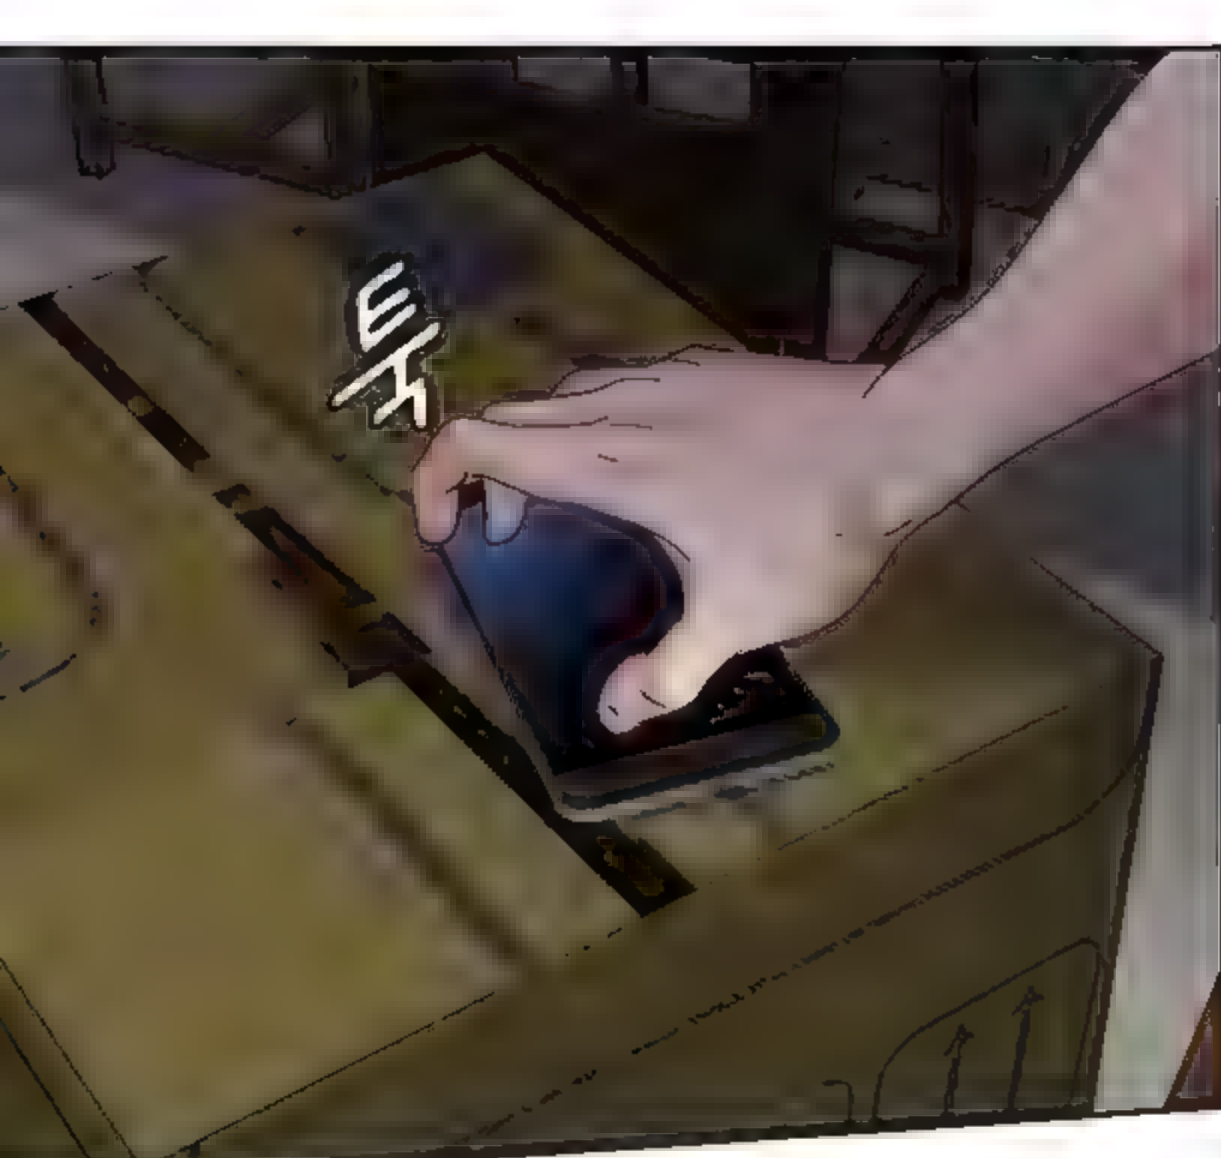

No, this is too
much compared
to what you
said!!

You have to
remember to pay
me for working
part-time like
this!

Oh, yeah. You
promise? Okay,
hang up.

E/H

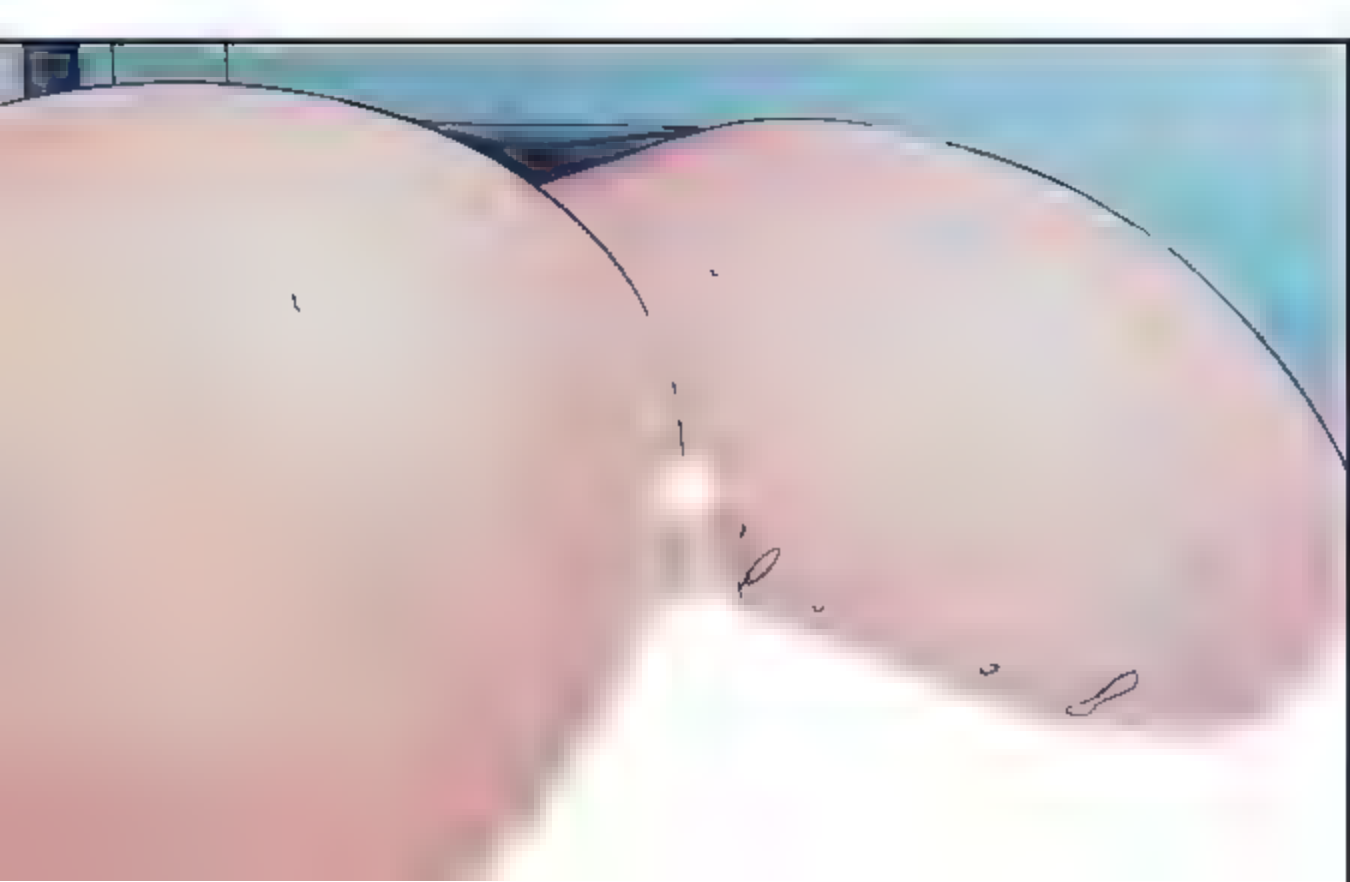

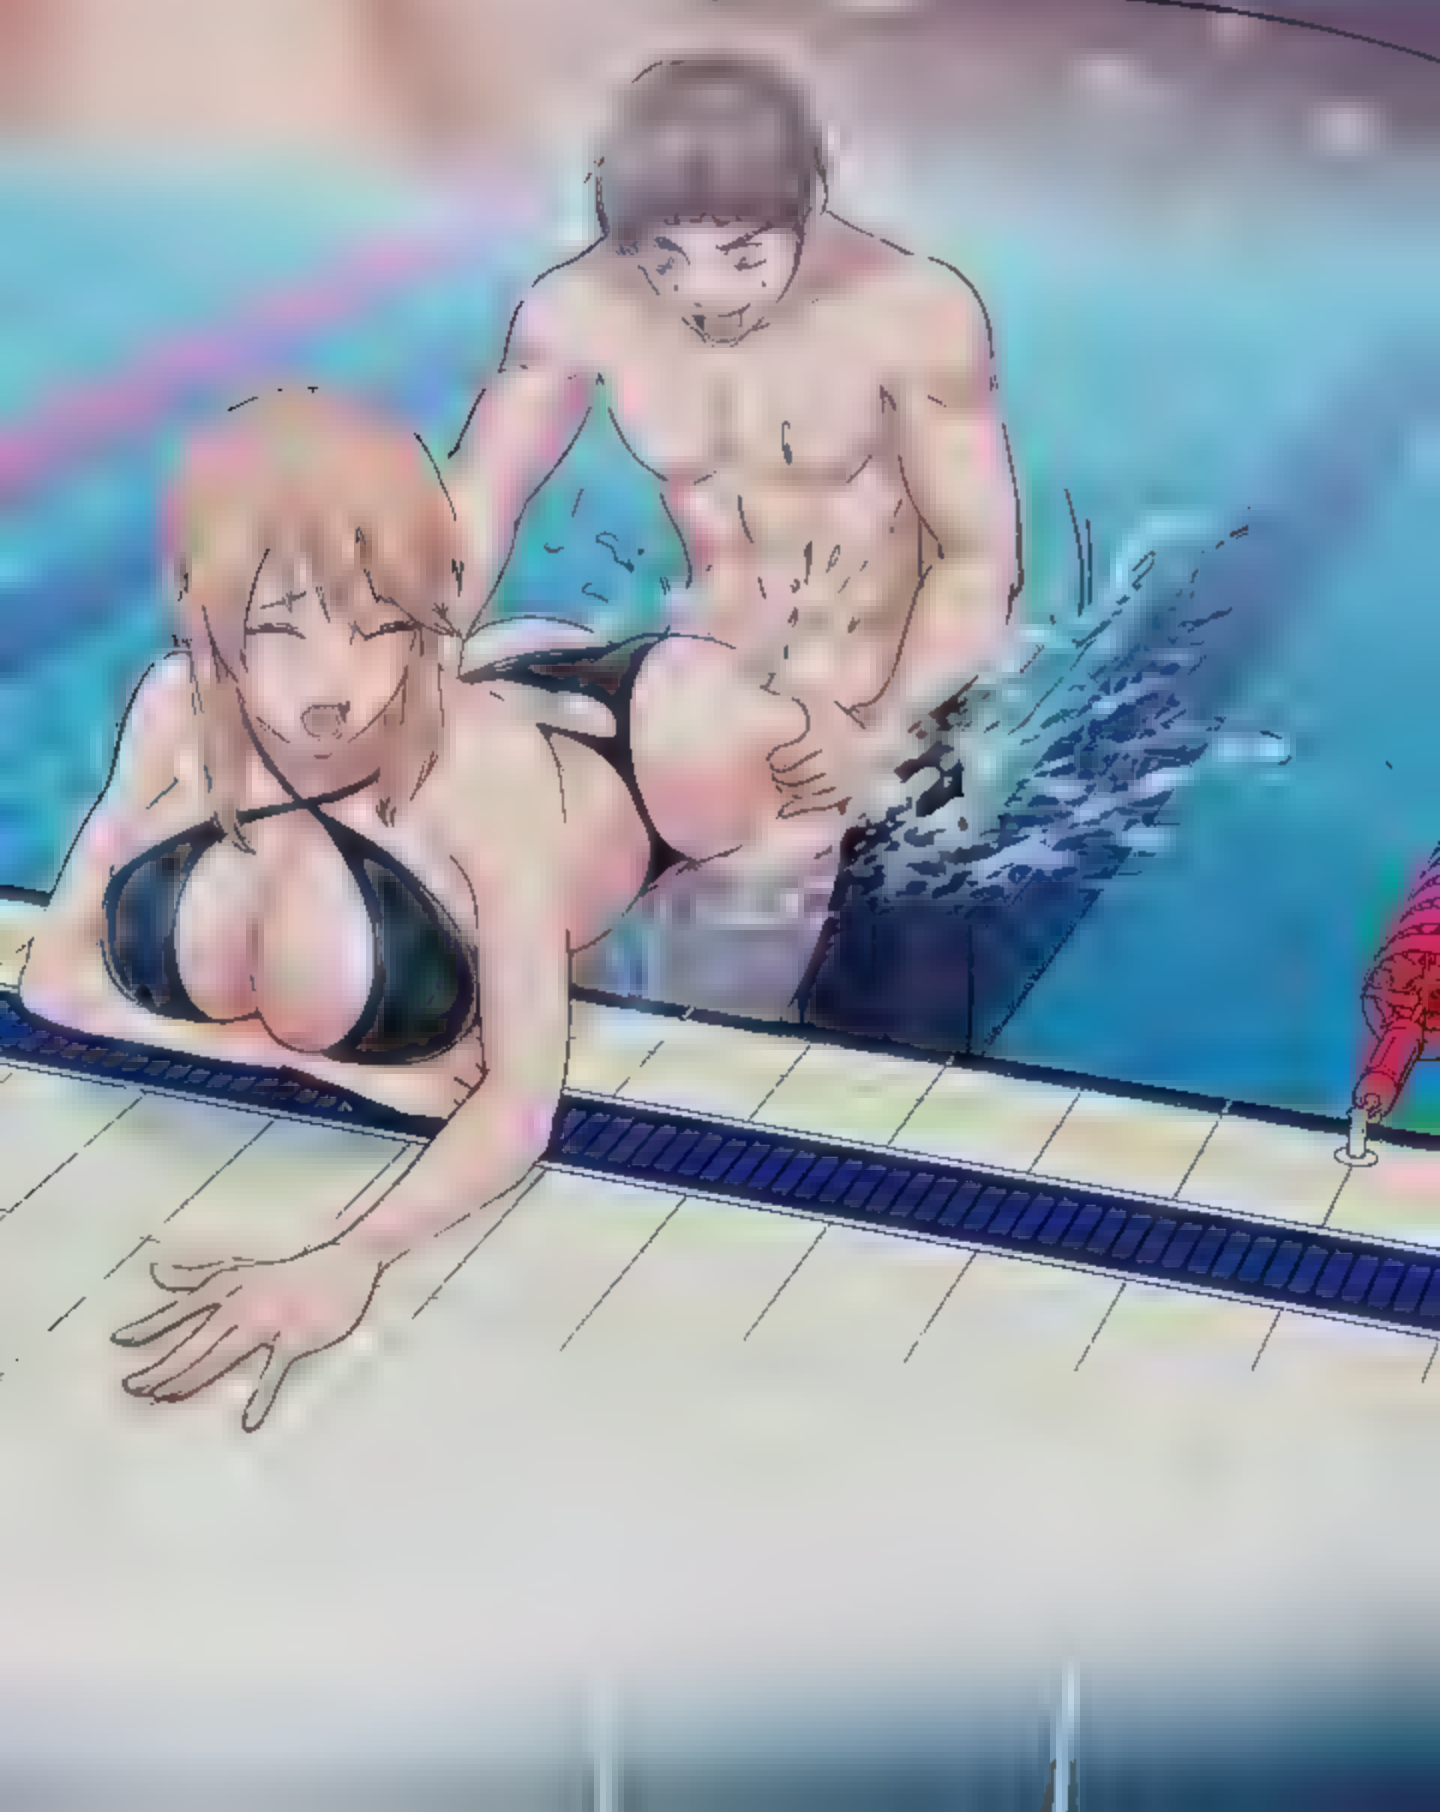

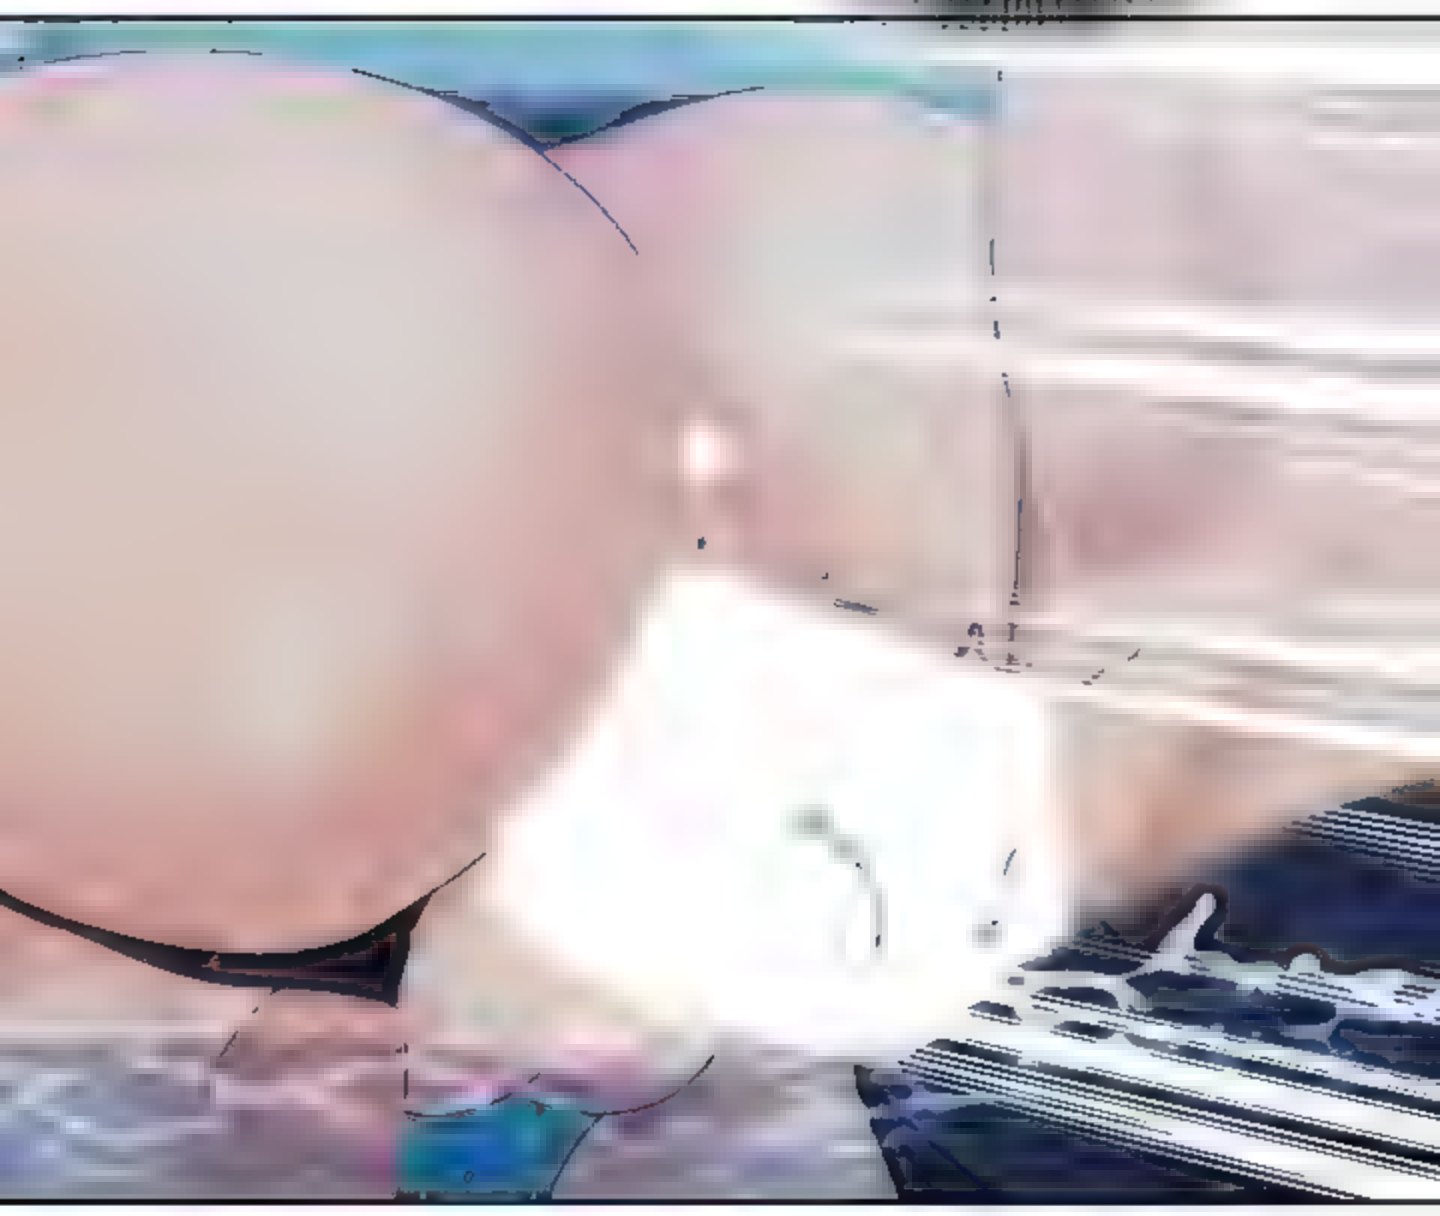

Everything would
be going well if it
wasn't for him...

Right before
when I'm about
to go deeper....

*I could have made
the girl fly to the
heaven already...*

It's too
deep...hah!!

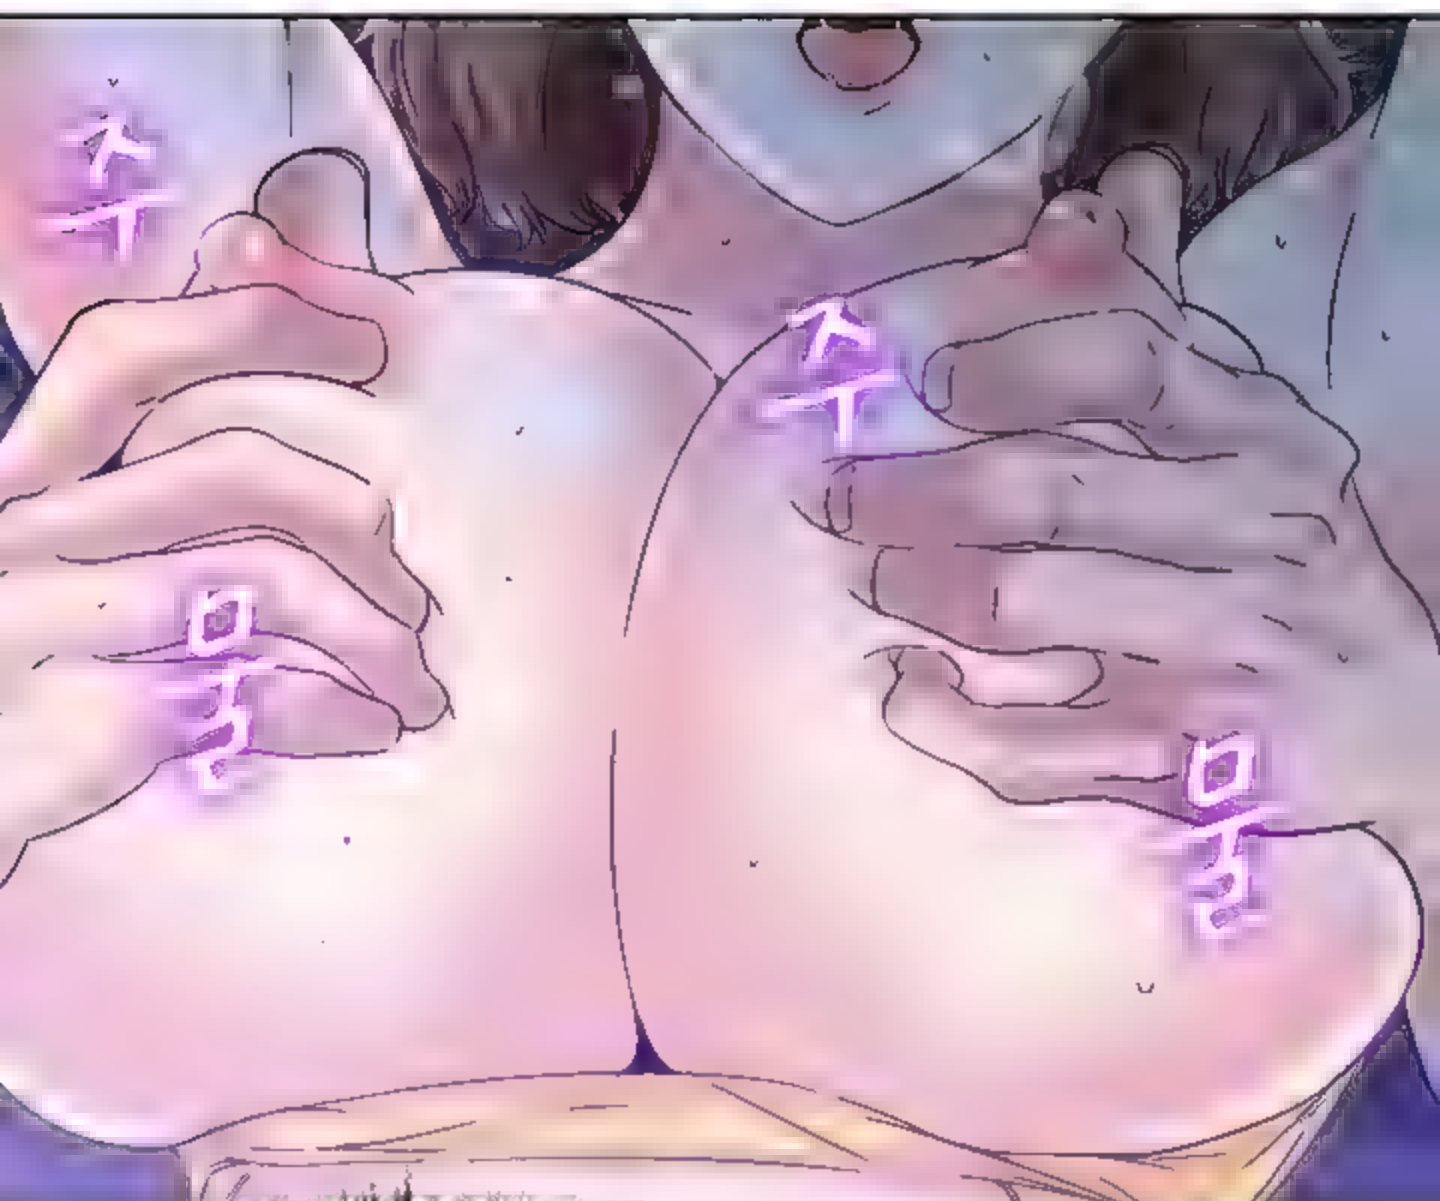

Taesan....You seem to
be rougher today.
Is there anything
happened?

Yes, a lot of
things!!

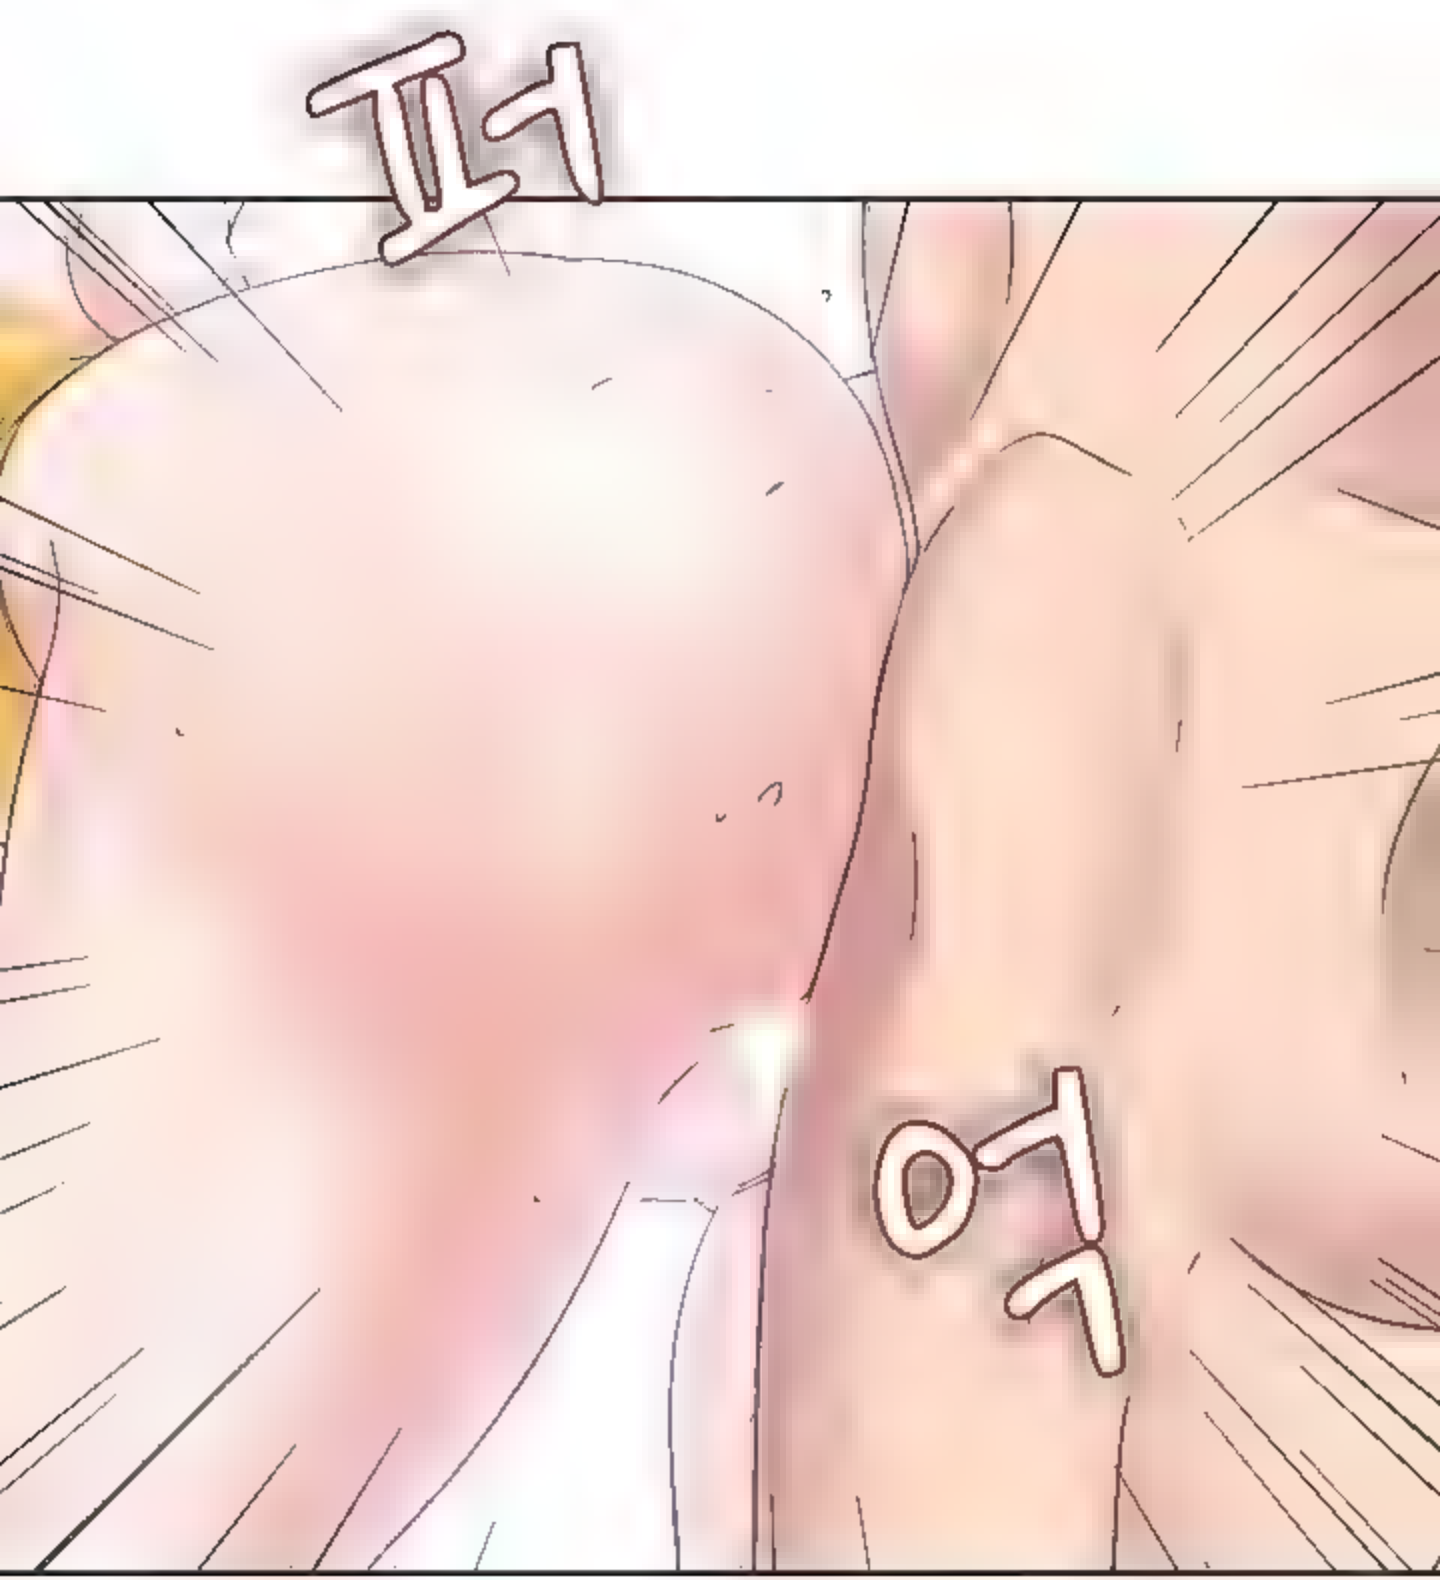

Well I'm truly looking
forward for you to
show me something
special today.

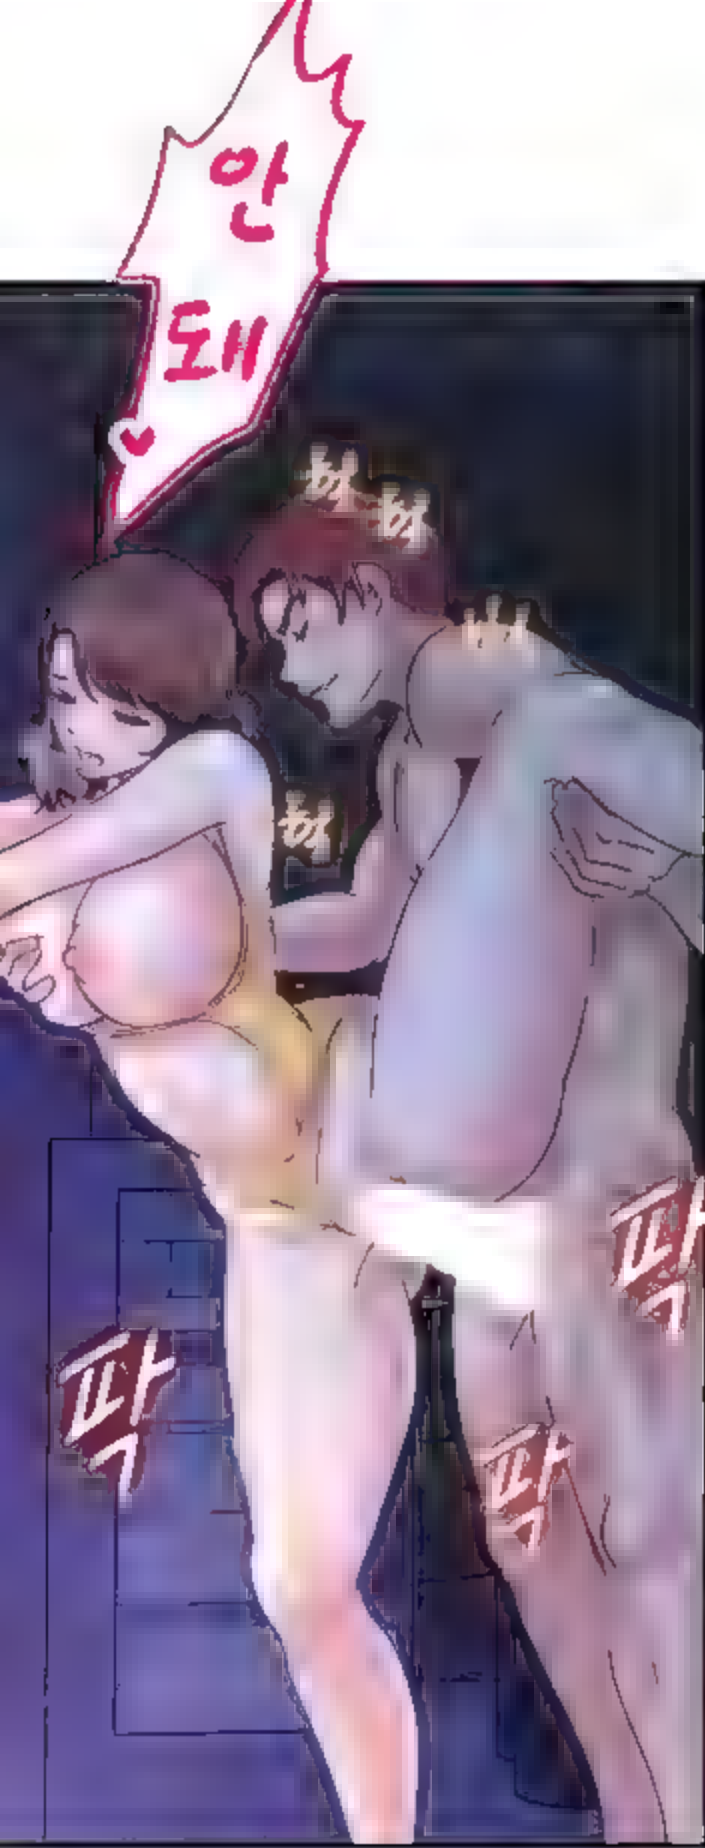

Aah!!
Today, Taesan is
definitely rougher
than usual!

Hueng!!

It's reaching
the end of my
worm....!!
Haaah!!!

Ah!!
I think I'm
going to
cum!!

Haa!!
Hueng!!

아

아

Ah!!.....No...
You cannot
cum inside....!!

I will let you cum in
my mouth!!
Put me down!!

Humph....
I feel like I'm
about to die
already...

OK

Are you fucking kidding me for real? Why don't you just go to a motel instead of fucking in the warehouse, you mofo!!

I'm sure that motherfucker planned this from the start!!

You just wanted to
show me how you
mess with your
girlfriend!!

I know you lead
her into the
warehouse and did
that on purpose!!

멍청!

This is it...
I can't take it
anymore...

Today....is
just the
worst day
ever...

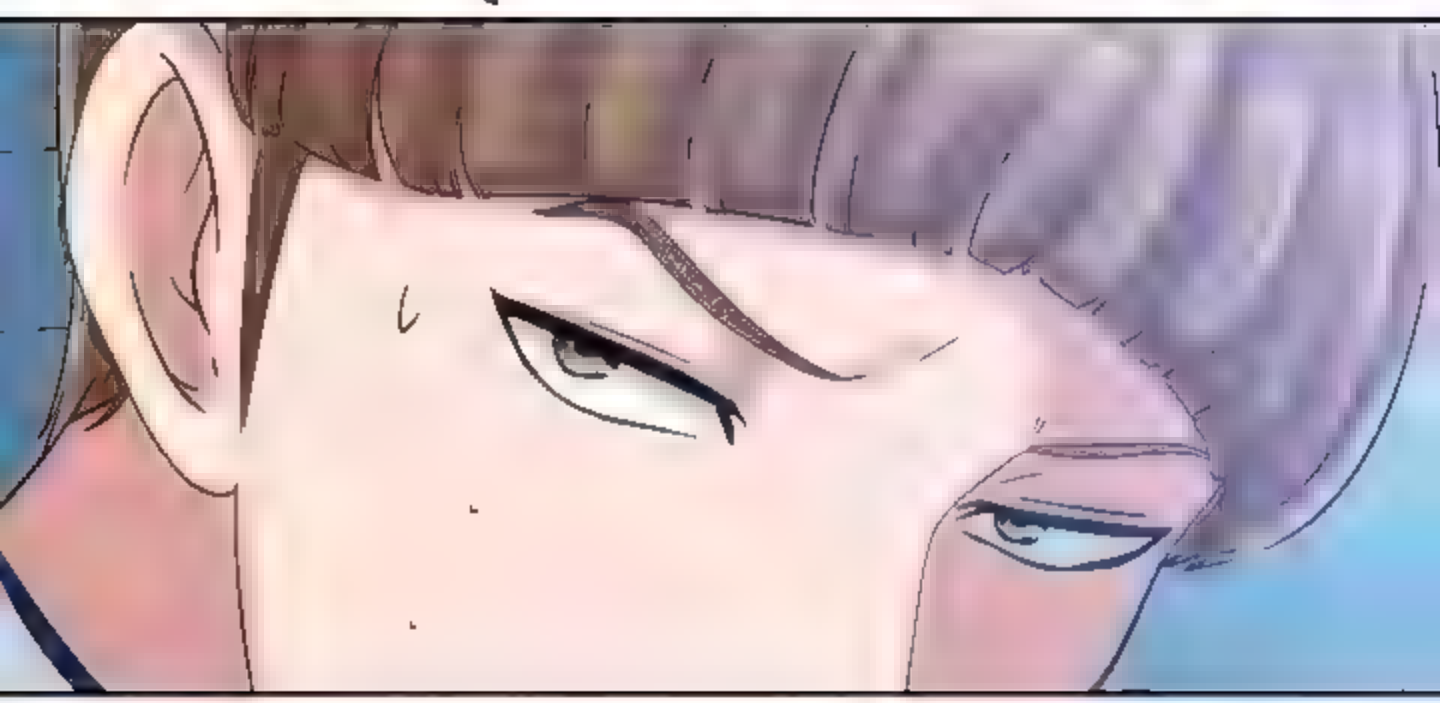

푸...

What a
fucking mofo...!!

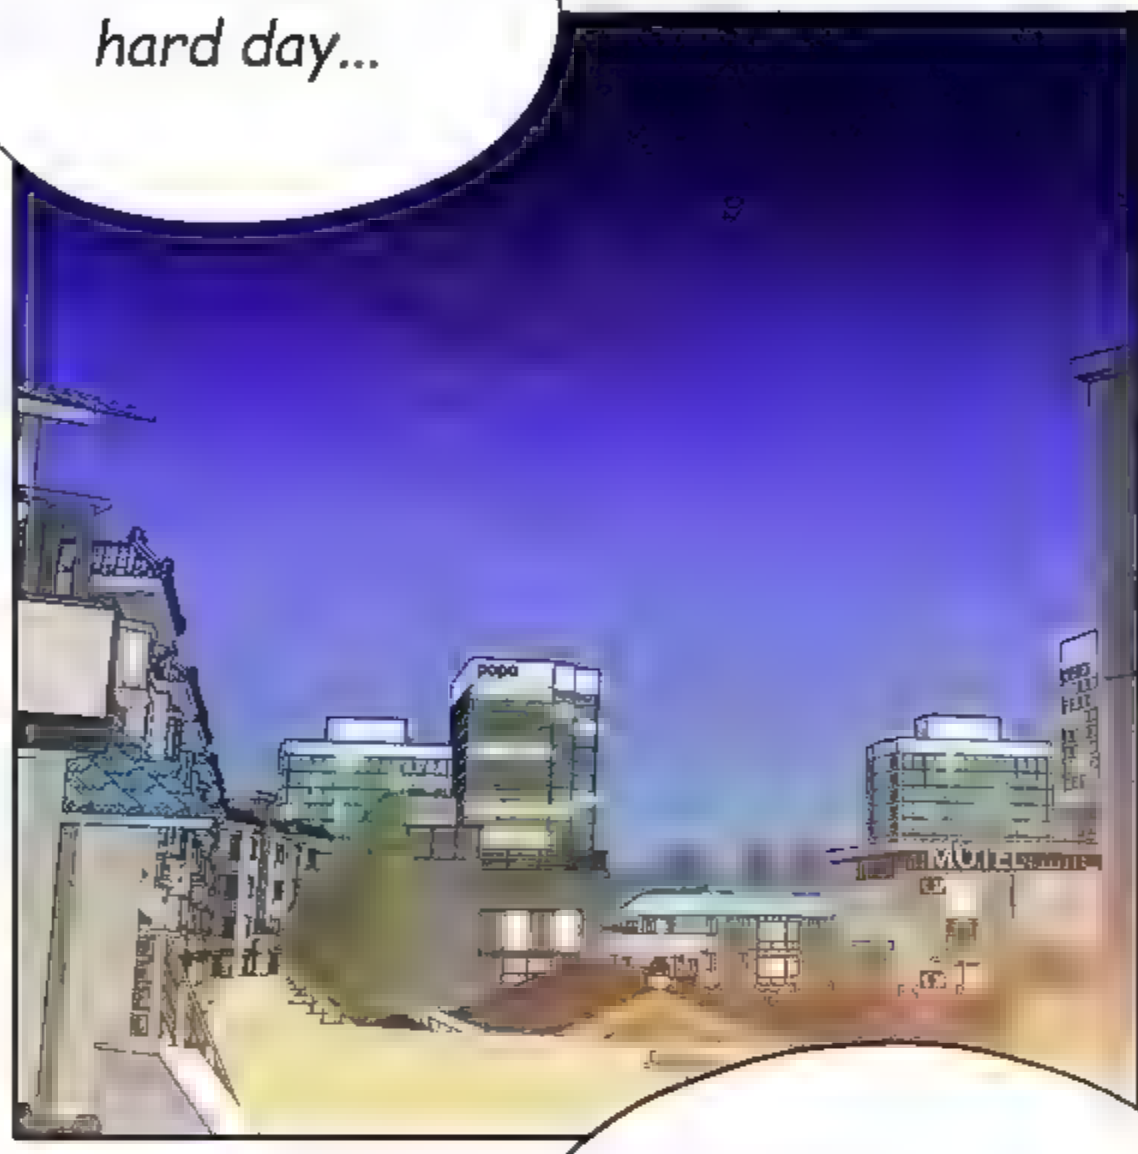

후...

Hmm...
I will tell
Bada noona
about this...

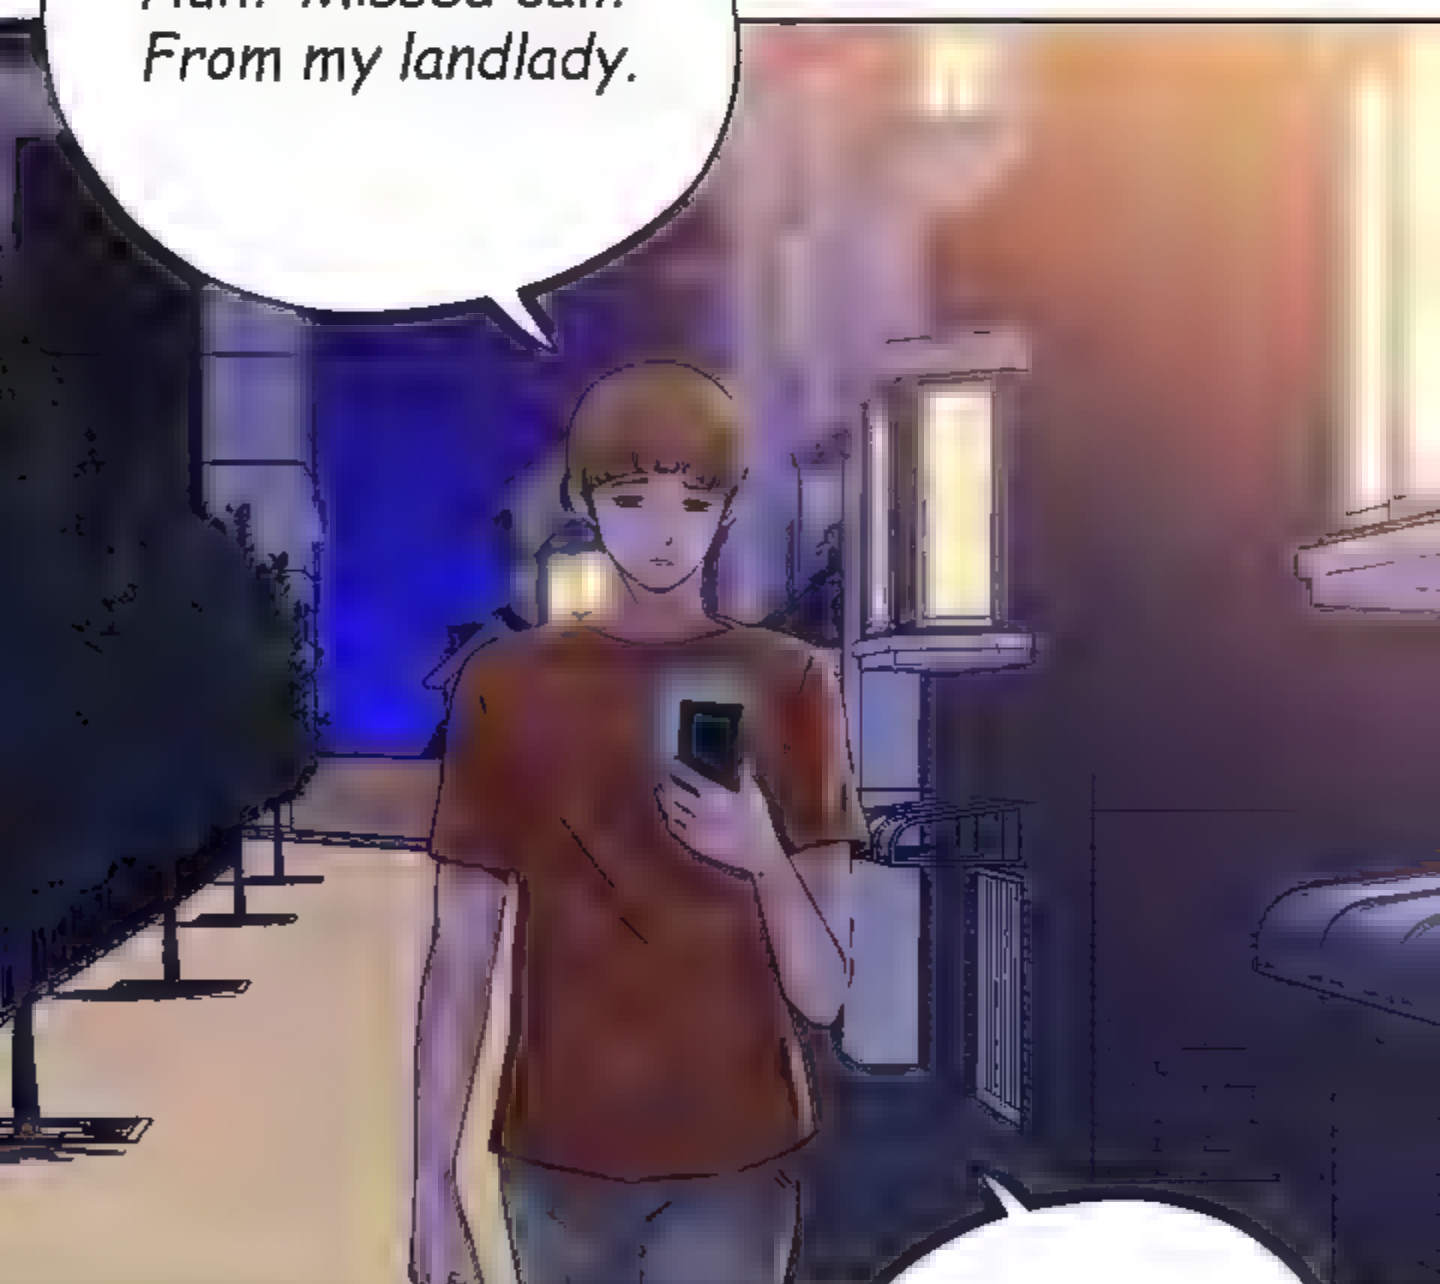

I need to
take my
revenge on
that bastard.

It was such a
hard day...

It's already 12 p.m.
Let's go home....

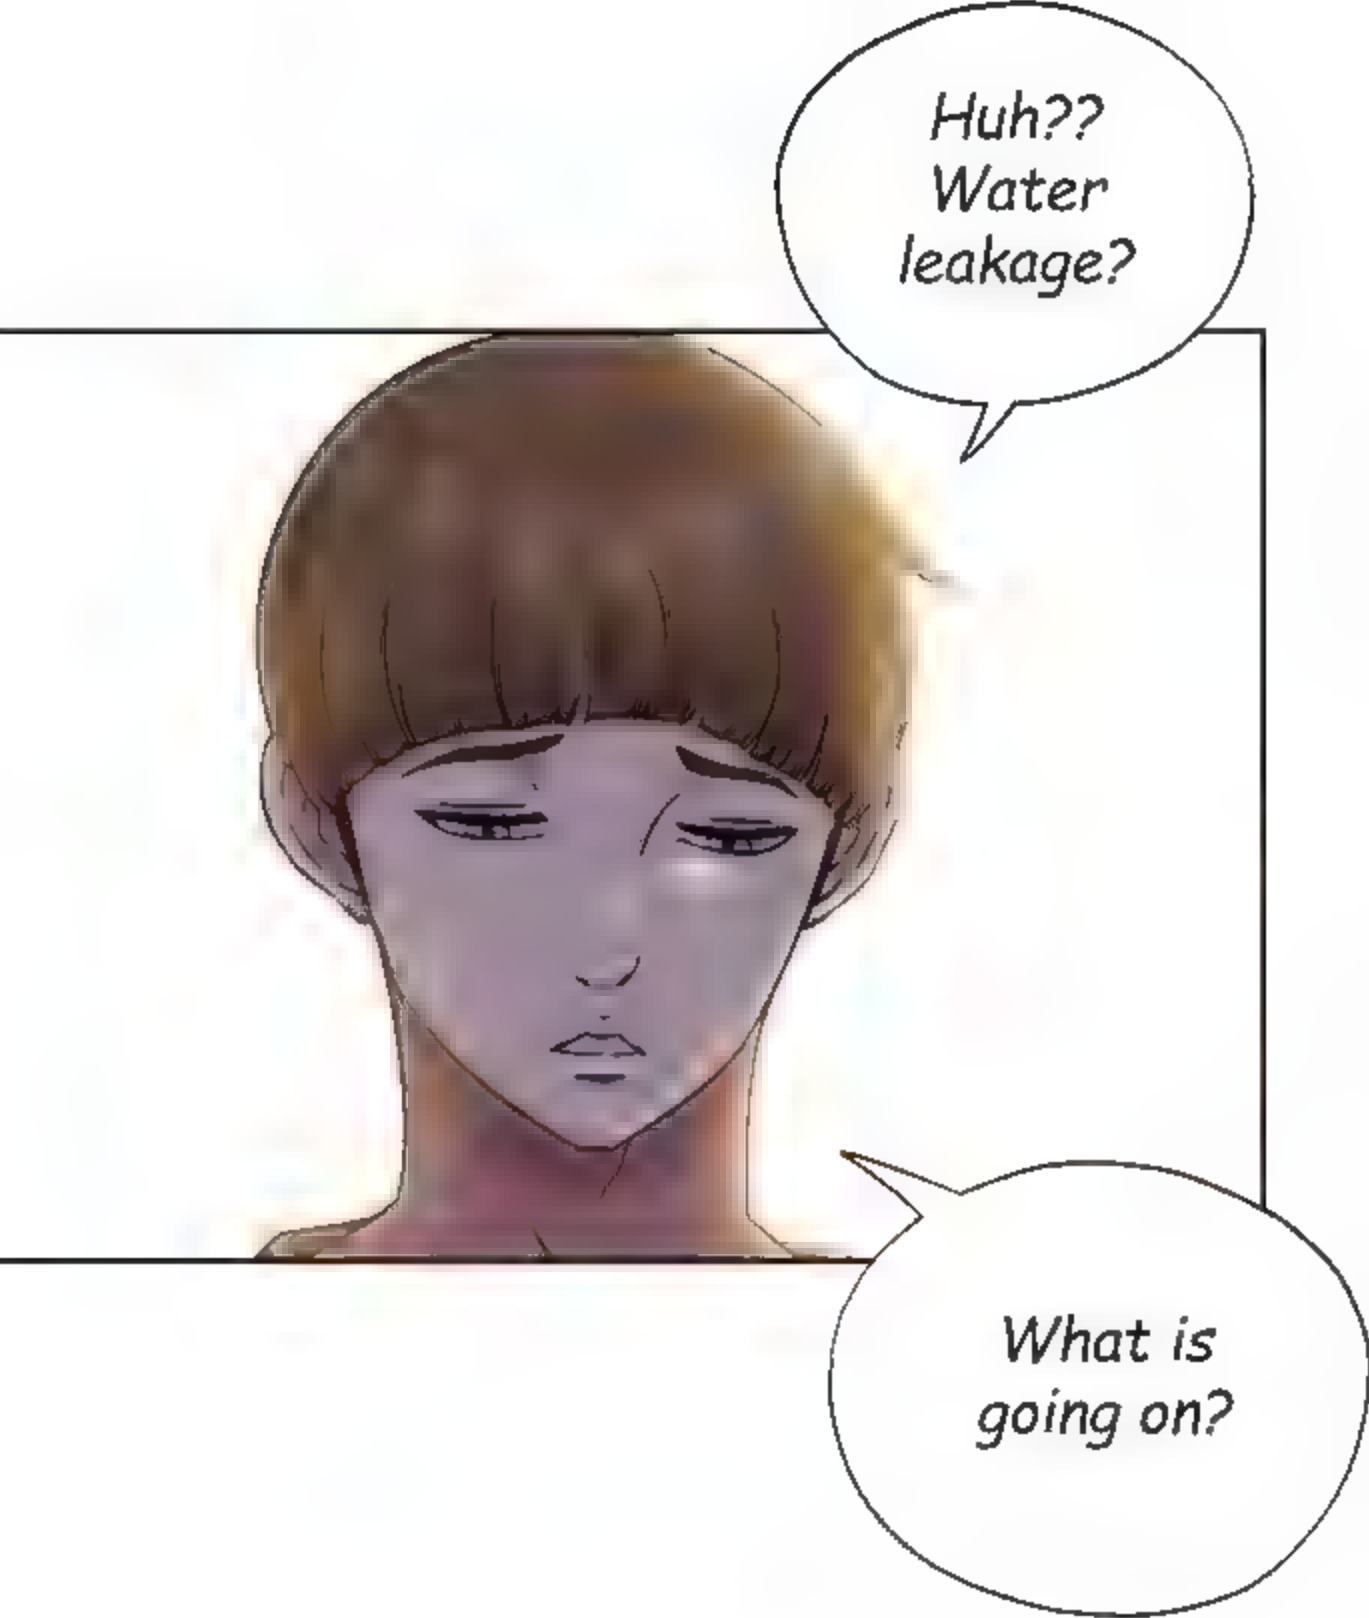

Huh? Missed call?
From my landlady.

She left a text
message? What
is it?

The Landlady

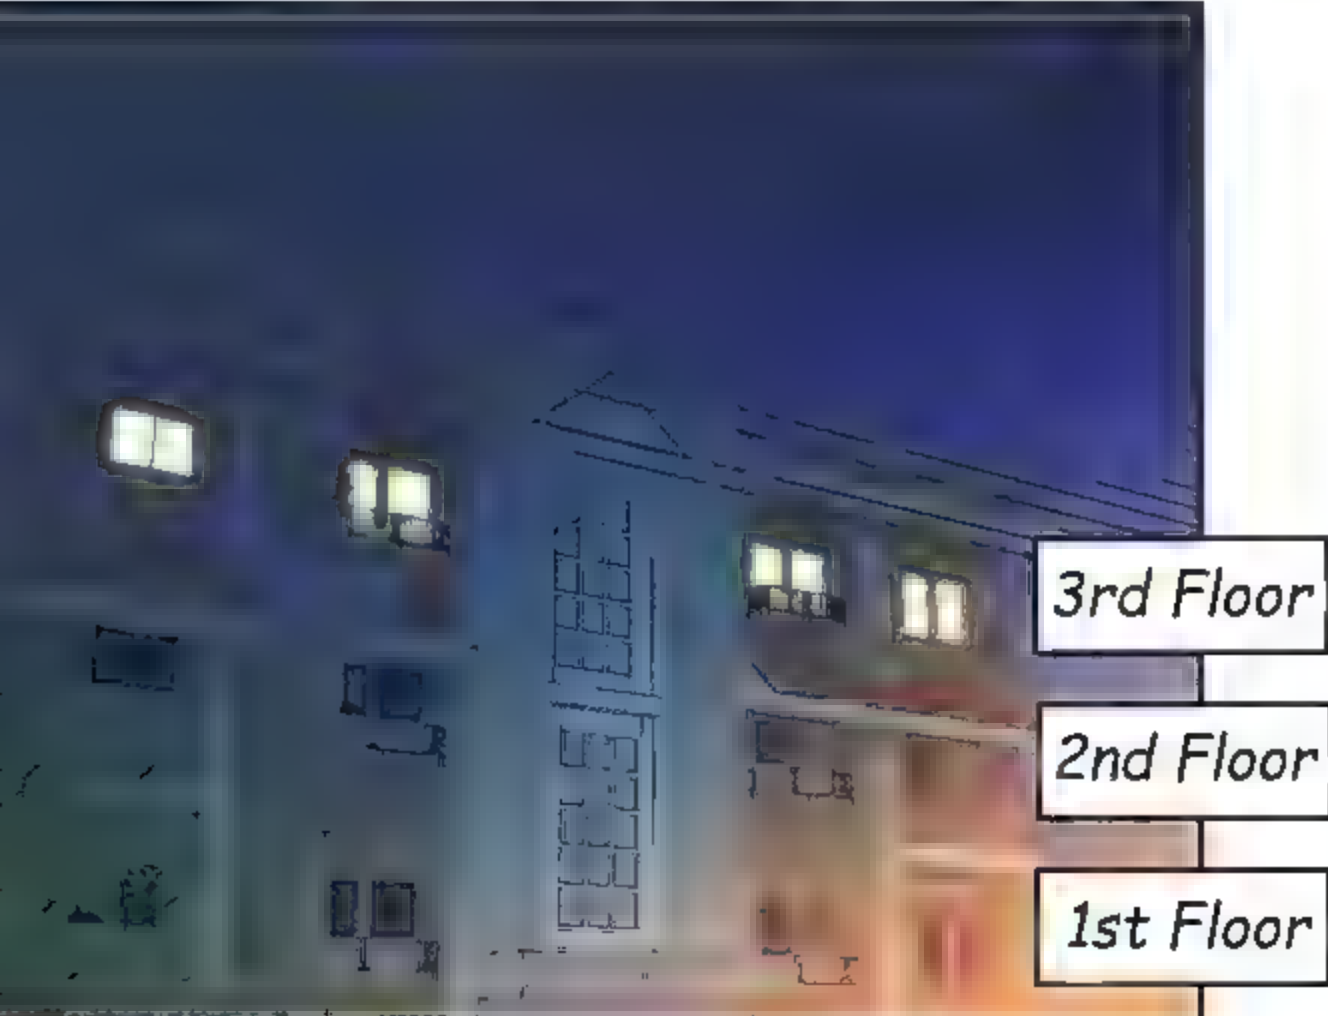

There was a leakage occurred on the 1st
and 2nd floors And they say contract on
will be needed in order to fix it. Call me
when you check the text or come to the
3rd floor~

*When I attended the college, I found
a three-floor villa for rent.*

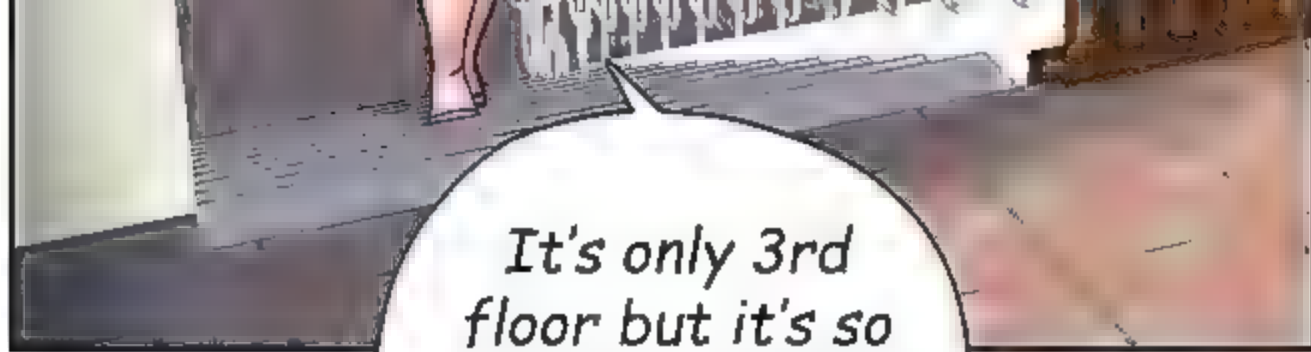

Each member has their own room to stay.

*Because I live on the 1st floor,
I have never been to 2nd and
3rd floor, where the landlady
and the others live*

It's only 3rd floor but it's so hard to climb up here...

Okay...
What is it about this construction?

What am I supposed to do now?

따작

Is that you, Byungjin?

Come in.

*Ah, yes. But did you
get rid of the
leakage yet?*

*There happens to be a
problem with the drain
pipe on the 3rd floor, so
water is leaking inside
the 1st and 2nd floor.*

It will take some time to do the construction, and we will need to leave those floors out.

Will it last about a month?

Yea..I'm sorry I cannot do anything about it, can I ? You can stay at my house for now or I will give you the refund for your rent so you can find another house.

One month??

I'm in the middle
of my semester
right now, and
there's wont be
any spare room...

Holy shit....
I already felt it in
the moment I signed
the contract, her
figure is lit.

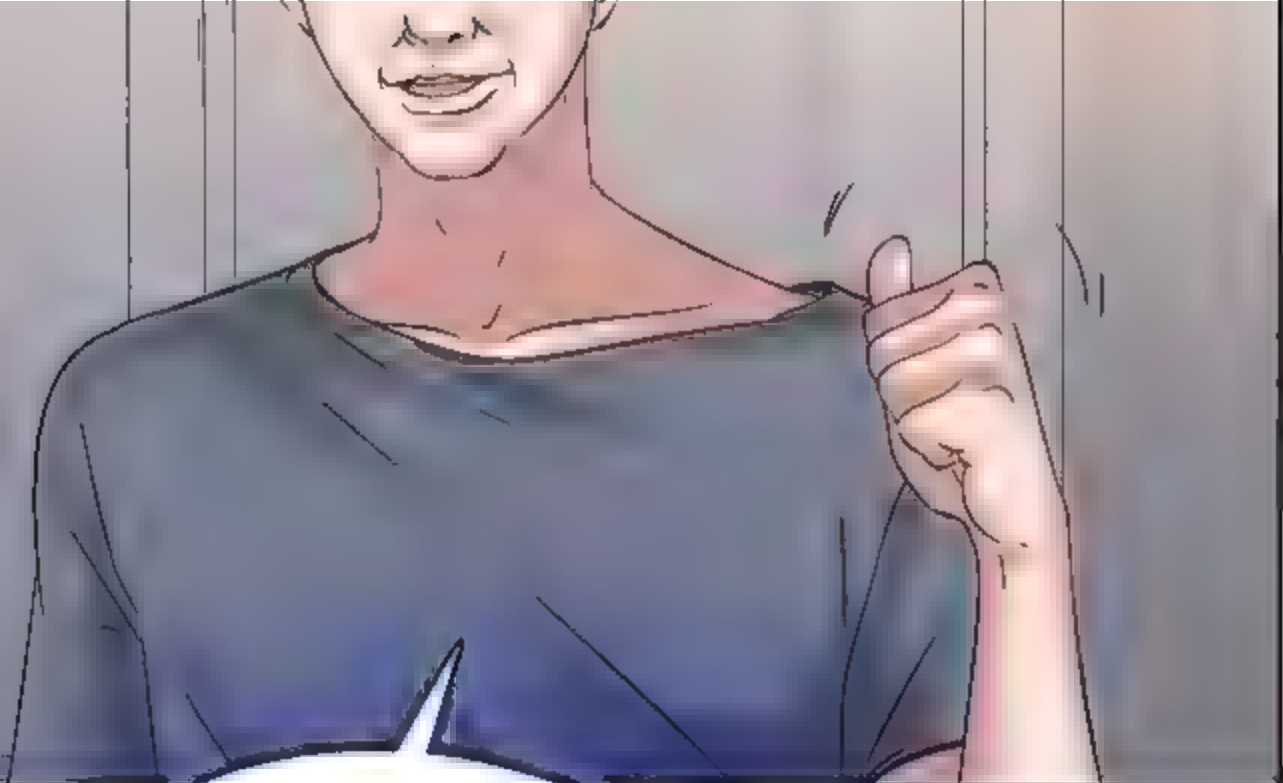

Should I stay here?
I can enjoy this
sight every day if I
stay, right?

Heyoo, what's up~
Your luggage is quite
heavy, ya know~

Eh, you
carried mine?

What are you
going to do about
this situation?
Are you going to
stay here?

I won't be moving and
so do the people on
the second floor too.
Come in and take
your spot.

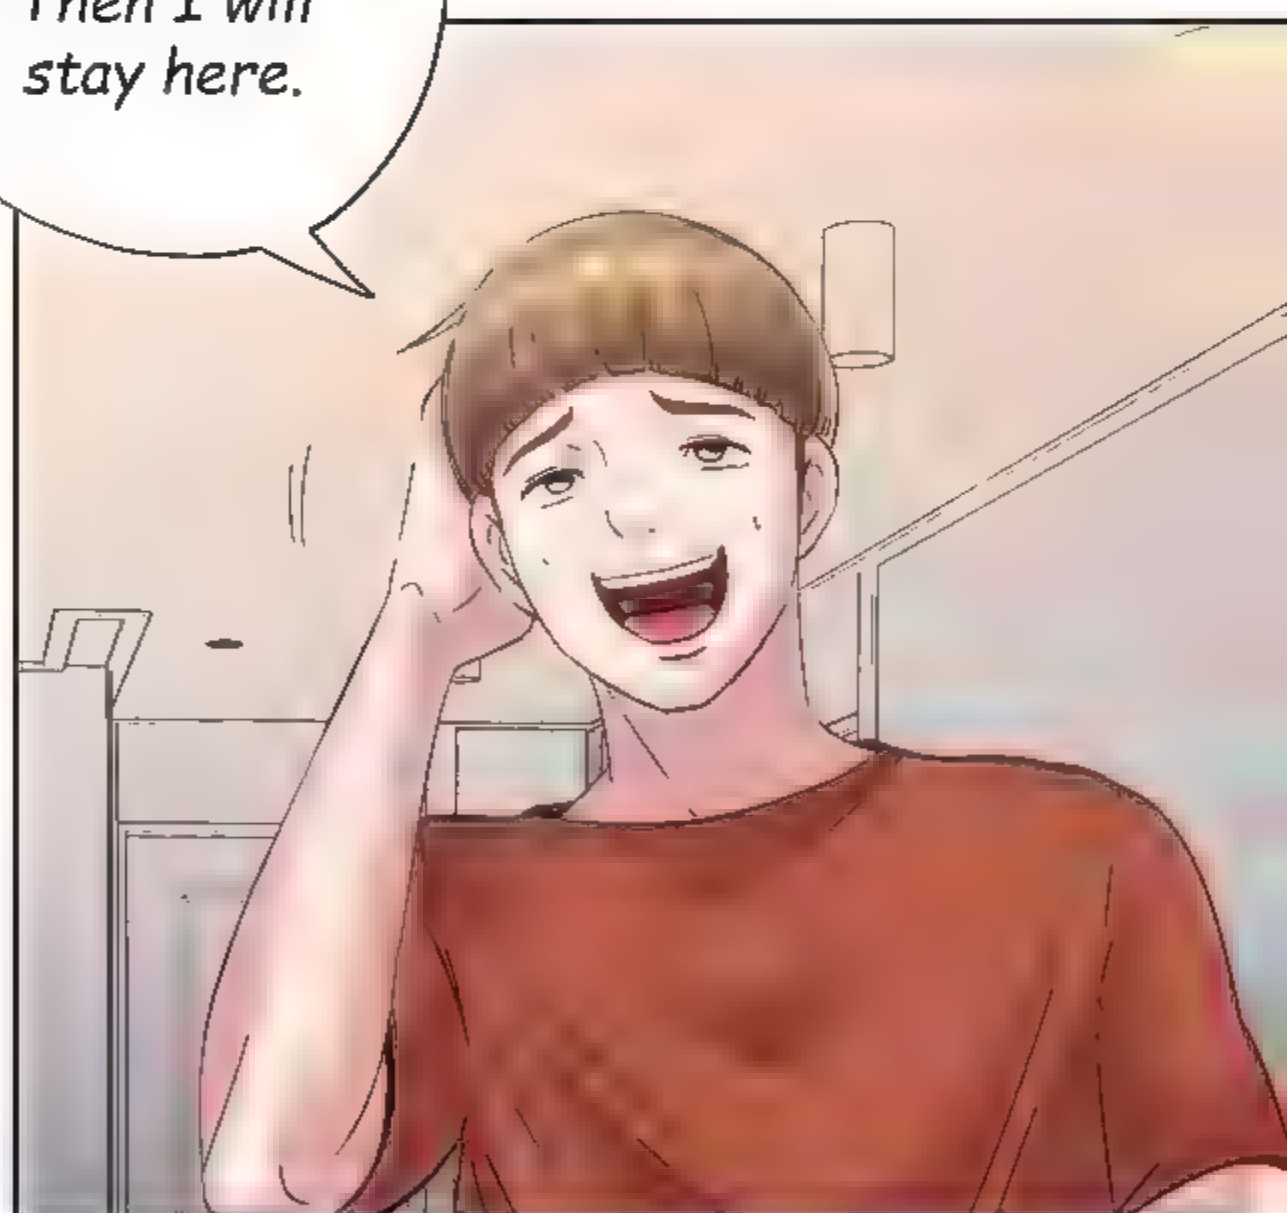

It may be a little uncomfortable, but I guess Imma stay here for a while.

Yeah, it may feels a bit uncomfortable. Then will you stay, Byungjin?

I will give you 3 month off for breakfast and dinner fee payment.

Ah, for real? Then I will stay here.

Okay, then Taein will show you the room.

Leave me alone, will ya~

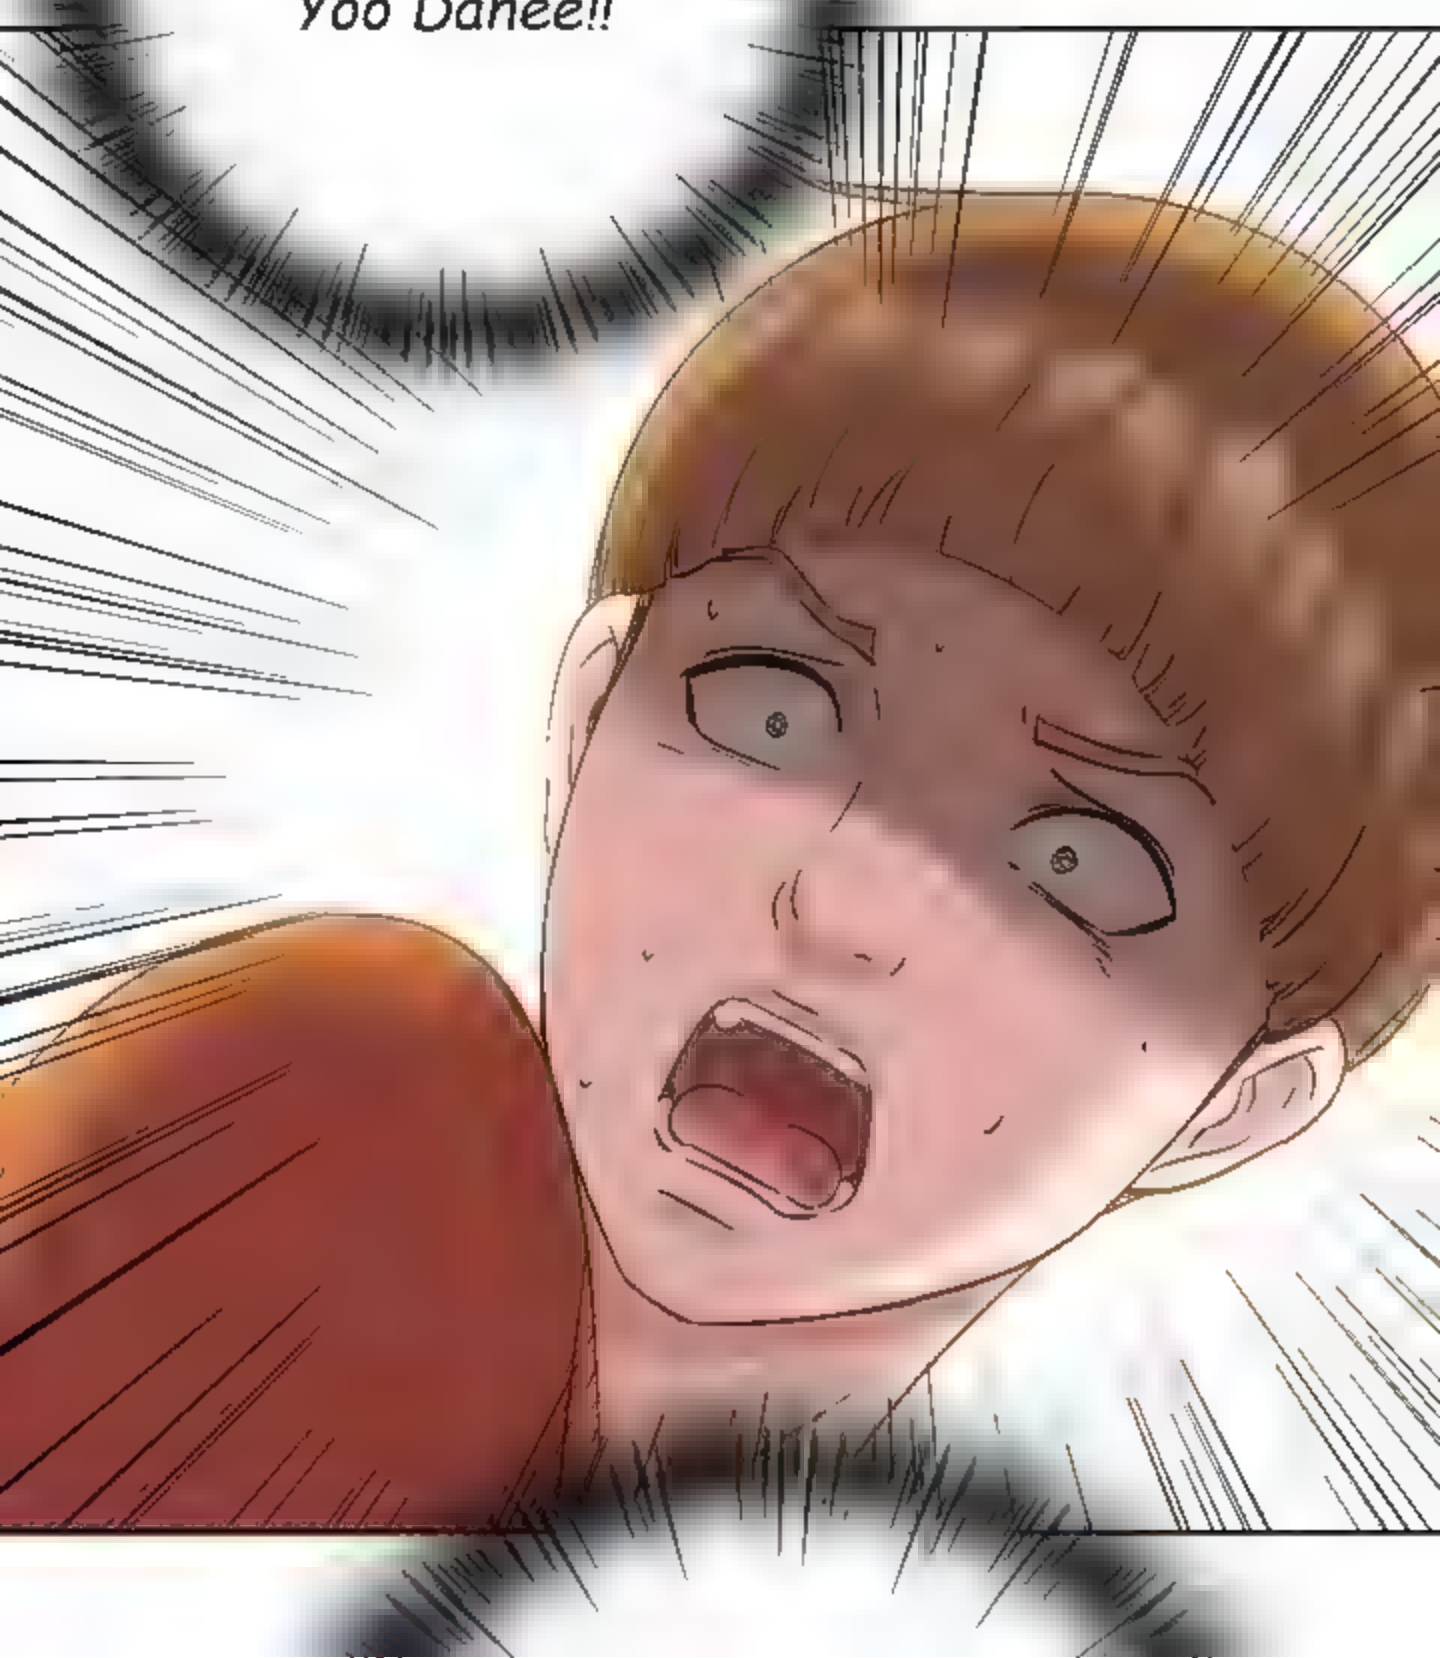

Come,
this way.

Ma'am, is it okay
for me to eat ramen?

Holy fuck!!!
Yoo Dahee!!

How comes she's
also staying here?

!!

I'm home~

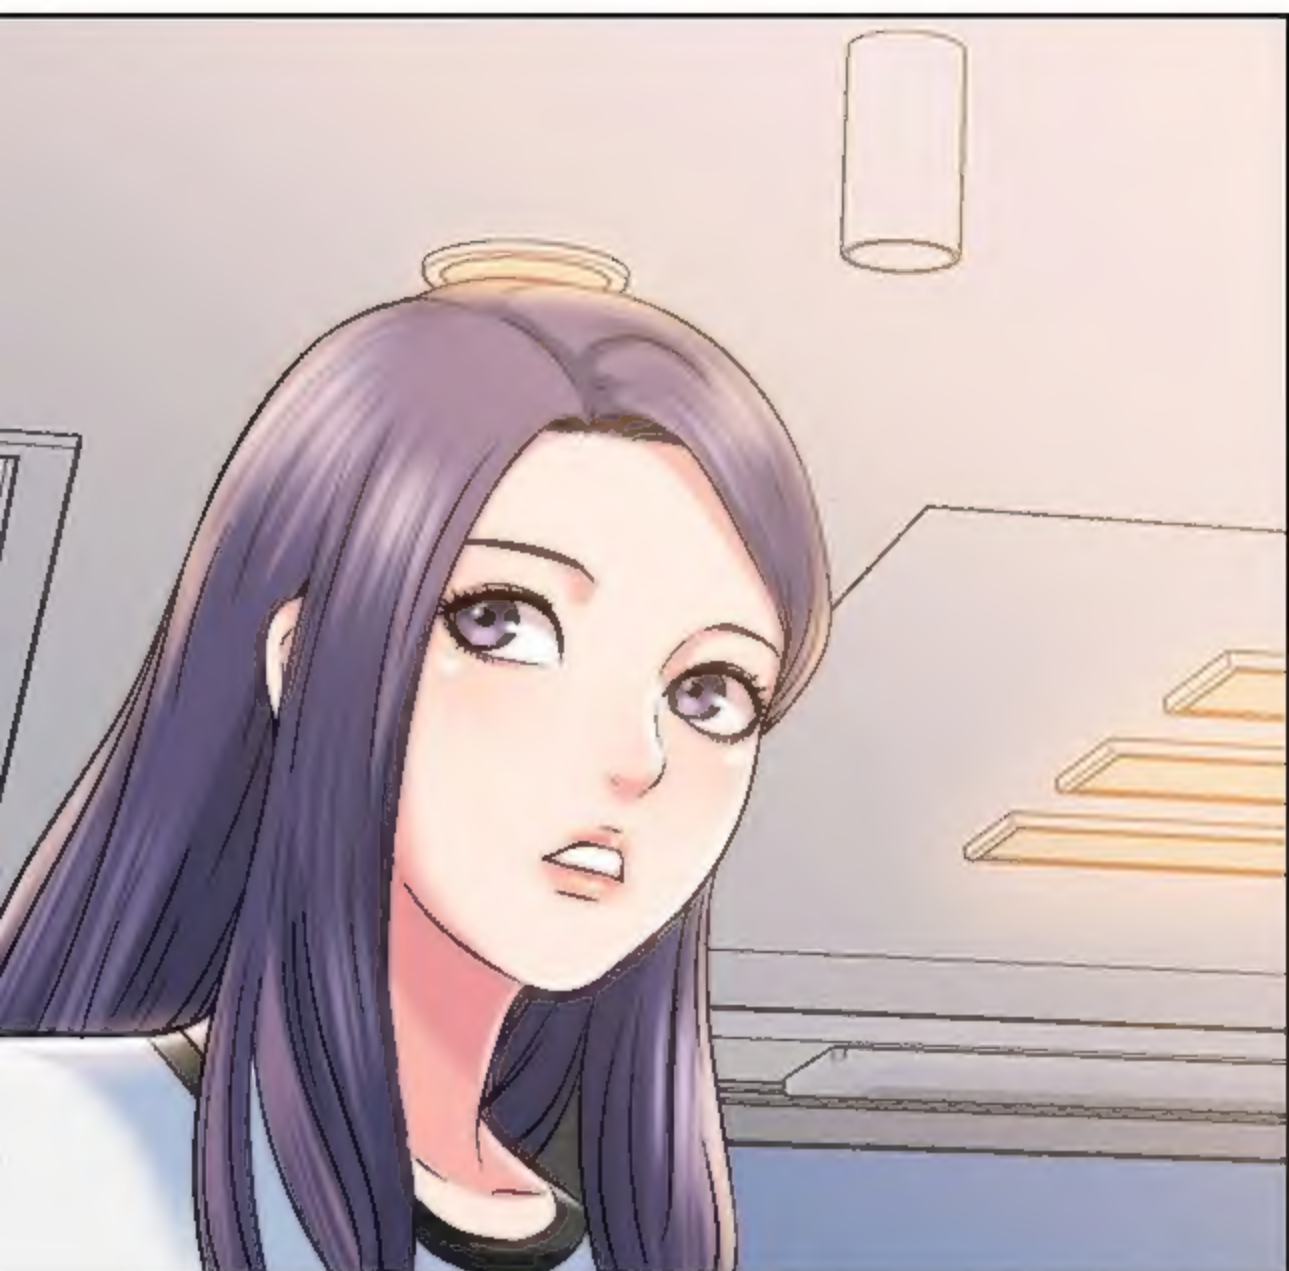

덜컹

Do you even know
what time is it now?
Didn't I tell you to
come hom early?
